Bonfire Night**

**Friday 20 November
Quiz Night!**

**Saturday 5 December
The Food Doctors**

Further details for any of the above in the magazine.

WELCOME TO LAMBLEY LIFE

Welcome to the August 2026 edition of Lambley Life magazine.

A BIG thank you to all those who continue to make a donation towards the costs of printing the magazine - it can't survive without you or the advertisers who sponsor us. It costs just over £1 to produce each copy and we have over 600 copies a month that is at least £650 required each month to enable the magazine to keep going on a free basis. We have been given two generous donations in July - thank you.

I have also been asked how to donate as some villagers feel they would like to contribute. Well you can contact myself (Julie) on the details below and payment can be arranged either by DD to Lambley Parish Council (details will be given) or cheque or cash.

If you use a contact from one of our adverts, please make sure that you let them know where you found their details as this will encourage them to keep advertising!

We still need your pictures for the front cover of anywhere in and around the village or Lambley related. Thank you to those who have contributed so far - your pictures will be used.

The front cover this month is a picture of cows in the pasture. Many thanks to John Garton for the contribution. Please keep them coming in!

Please send your comments, suggestions, contributions to us at lambleylife@gmail.com or call Julie on 07947 627168. We are always happy to hear from you! To advertise or sponsor the magazine the contact details are the same.

The Lambley Life Team

Lambley Village Show 2026

This year the Lambley Village Show will be held on Saturday 5th September at the Village Hall and School Field. Once again we will be raising funds to put towards village projects. This year there will be an opportunity at the show to put your own ideas forward for how these funds will be spent. We could not raise the fantastic amounts raised every year without your continued support, for which the committee would like to say a huge thank you. With this in mind we would be very grateful if any businesses or villagers are able to provide help on the day or donate raffle/tombola prizes for the show. Please contact us on Lambleyvillageshow@outlook.com or by calling Alison on 07557 912357 if you are able to help. Thank you.

This year's Scarecrow Competition theme is a James Bond character. Please have a go, join in the fun, get your thinking caps on and enter your scarecrow into this year's village show competition. We also welcome entries from outside the village, and will make room available for them to be displayed in a central location. The entry form will be available in the show programme, which every household will receive in due course, or by emailing

Lambleyvillageshow@outlook.com. The scarecrows need to be on display, no later than 10 am on Wednesday 2nd September. A photograph will be taken of each entry and these will be on display in the entrance to the village hall on show day, Saturday 5th September. A public vote will take place at the show to establish the winner. It would be fantastic to have lots of entries this year and to get the children of the village involved in making scarecrows. There is a trophy to be won, which the winner will keep for one year, on to which their name will be engraved. We look forward to receiving your application form. Unfortunately, we cannot take any responsibility for loss or damage to any property used in making your scarecrow.

It would also be lovely to see more entries in the children's competition this year. The classes are outlined below. Please do encourage your children to have a go. The overall points winner and the best entry in the children's show will win a VIP pass to Florlands Farm Park. Good Luck!

The Children's Classes for this year's shows are:-

A Miniature Garden in a container no bigger than 38cms by 24cms

A vehicle made with recycled materials

A cookery exhibit, choose from 6 scones, 6 biscuits, 6 decorated cupcakes or a large decorated cake.

Decorated pebble

A landscape picture, this can be a drawing, painting or collage

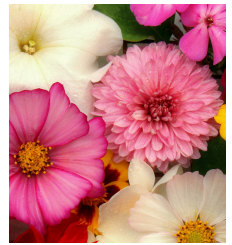

Vegetable animal

Children's Sewing Class, any item made using sewing, embroidery or cross stitch

Children's photographic competition – any photo taken by a child of a flower.

Lambley Village Show Saturday 5th September 2026

It's time to think about how to amuse the children during the school summer holidays. Why not get creative and make some entries for this year's village show, to be held during the day at the Village Hall and on the school field. To get you off to a flying start here is a list of the children's classes. Entries can be brought to the village hall on Friday 4th September from 7 pm to 8 pm or on show day from 9 am to 11.15 am. There are two trophies to win in the children's classes:- Most Points in Children's Classes and Best Children's Exhibit. The winning children will have a trophy to keep until next year's show, engraved with their name and a VIP Florals Farm Park Activity Family Ticket (kindly donated by Florals Farm Park).

Miniature Garden	In a container no bigger than 38cm by 24cm
A vehicle	Made with recycled materials
Cookery Exhibit	6 Scones (any type), or 6 Biscuits, or 6 decorated cupcakes, or 1 large decorated cake (any flavour, shape and size)
Decorated Pebble	A pebble decorated in any medium
A Landscape Picture	Drawing, painting or collage. Child's age to be written on the back.
Vegetable Animal	Any animal made from vegetables or fruit
Children's Sewing Class	Any item made using sewing, embroidery or cross stitch
Children's Photographic Competition A Flower	Any photograph taken by a child

It would be fantastic to have our show tables full of entries this year.
Good Luck!

This year's Scarecrow Competition is a James Bond Character. Do have a go and lets have lots of scarecrows around the village. Entry details will be in the show brochure which should be delivered to each household this month. Please also check out the bus shelter in early September to have a go at the Lambley WI's Competition. Various cryptic clues will be decorating the bus shelter the answers will either be James Bond character names or film titles.

**Natural Cut Stone is
the connoisseur's choice for:**

- FIREPLACES
- STAIRCASES
- ENTRANCE HALLS
- FLOORING
- WORKTOPS

Lambley Nature: August Wildlife Tips 2026

- Water is vital to humans and your garden eco system. You could add water to your spaces in a variety of creative ways! Birdbaths are great but also think about adding ground level sources for other creatures.
- Something for the children to build in their holidays and help nature at the same time.
- (Make your own mini version of Reed Pond). – The Natural History Museum website have instructions on creating this.
- Create a wildlife haven by reducing your mowing! You could reduce the number of cuts, leave some areas uncut or just cut some pathways. Leaving different grasses and plants can be beneficial for creating a species-rich garden. Beetles, spiders, sawflies, moths, butterflies, bees, grasshoppers, frogs, toads, bats, hedgehogs, blackbirds, robins (and lots more!) are some of the amazing species you might see, if you leave areas of your garden uncut!
- Be extra careful if you are cutting and strimming large numbers of young frogs and toads are killed at this time of the year by these – **before you strim** use a rake to see if anything is in the grass.
- Don't use any chemicals on your garden. They can kill indiscriminately and affect the whole food chain. If you encourage lots of species, nature usually finds its own balance (you will find house sparrows will remove large numbers of greenfly from your roses without resorting to sprays which kill beneficial insects).

This Year has been exceptionally dry that songbirds like blackbirds and song thrushes cannot find their usual slugs, snails or worms – try soaking a black tarpaulin or sheet at night, place it on your lawn overnight – remove the next day early in the morning and you will provide a feast for hungry birds to feed their young.

- Nurture the environment and create a space for nature in your garden. You could also join a local / national nature-orientated group or maybe start your own, if you're eager!

PARISH CLERK & RESPONSIBLE FINANCIAL OFFICER

Lambley Parish Council is seeking an organised and motivated individual to become our new Parish Clerk and Responsible Financial Officer.

This varied and rewarding role includes supporting Council meetings, managing correspondence, maintaining Council and cemetery records, assisting with planning matters, and overseeing the Council's finances and statutory responsibilities.

The position is up to 20 hours per month and offers flexible working arrangements, making it ideal for someone wishing to fit work around other commitments. The hours can be worked flexibly across the month to meet the needs of the Council and the postholder, although attendance at one evening Parish Council meeting each month is required.

Good administrative, communication and IT skills are essential. Previous local government experience is desirable but not essential.

Salary: In accordance with NALC/SLCC pay scales, dependent on experience and qualifications.

The successful candidate will be expected to become a member of the Society of Local Council Clerks (SLCC) and to undertake appropriate training and professional development relevant to the role. Membership and approved training costs will be supported by the Council.

For further information and an application pack, please contact Lambley Parish Council. Clerk Ewa Strumnik 07725 834442
clerk@lambleyparishcouncil.org.uk or Chair Richard Vincent:
chair@lambleyparishcouncil.org.uk

Closing Date: 31 August 2026

Lambley Parish Council is an equal opportunities employer and welcomes applications from all suitably qualified candidates. Appointment will be subject to references and right-to-work checks.

LITTLE LAMBS AT LAMBLEY

Little Lambs Lambley is the newest addition to the Wolds Childcare family; a small, private nursery group dedicated to providing the highest standards of childcare and Early Years education across Nottinghamshire.

BERNIE RUSSELL WHEELDON

20 May 1961 - 28 May 2026

Bernie loved spending time walking around Lambley, exploring The Dumbles, Ploughman Wood, Bonney Doles and the Reed Pond Nature Reserve. He became a familiar and much-loved face in the village, making friends wherever he went because he always had time for a chat and a kind word.

In recognition of his love for the village and its natural surroundings, a leaf bearing Bernie's name has been placed on the memorial tree at Reed Pond Nature Reserve. It is a fitting tribute to someone who found so much happiness in the special places that made Lambley his home.

Do You Need Assistance?

Do you want to continue living in your own home?

Do you need care and support that promotes your independence?

Do you want support that values your choices, preferences, and rights?

Do you want a service that respects your privacy and treats you with dignity?

Whatever your needs are, you are of utmost importance to us. We promise to work with you and adapt to your needs for delivery of quality care and support that leaves you feeling in charge of your life.

If not, sure you meet criteria, contact us for more information.

Key Clients

Our specialism is on service users with needs relating to one or more of the following:

- Adults 18+
- Mental health conditions
- Physical disabilities
- Sensory impairment
- Palliative care
- Parkinson's
- Vulnerable adults
- Dementia care
- Live-in care
- Challenging behavior
- Respite care
- Those who need assistance due to illness

Our Services

We deliver quality personal care in a holistic approach, with your care plan tailored to meet your needs and preferences. We are here to meet your care needs from 30 minute visits to Live-in care.

About Us

Best Support Care is a CQC registered Domiciliary Care agency, here to provide you with safe and responsive quality person centered care in the comfort of your own home.

We offer a wide range of homecare services to vulnerable adults of various funding packages including private clients.

- Medication assistance and management
- Catheter management

Other Services

We also support with the following:

- Companionship services
- Accompanying you to appointments
- Waking, sit-in and Sleep-in services
- Laundry and ironing as required
- Light housekeeping to maintain a safe and hygienic environment.

Our Commitment

We are committed to providing services that always exceed expectations and adapt to your changing needs.

Our passion is to offer the best personalised, and quality care that ensures that you receive effective, safe and appropriate service as well as provide you with support that meets your own unique needs and protects your rights, independence and dignity whilst you are in the comfort of your own home.

For your peace of mind, our staff are carefully selected, BDS checked and trained.

The Reed Pond Ramblings

From the Lambley Reed Pond Group

August 2026

Welcome to all our villagers to the latest edition of the Ramblings. Those of us who have visited the Reserve will have seen that the Committee have been busy strimming around the benches around the Reserve and around the memorial tree. We have also created a path towards the Northern pond area.

Please try to keep to these designated paths and avoid the meadow areas as we still have nesting birds present until the 2nd week of this month. We have created several wildlife safe havens around the Reserve. One near the elder tree where we planted wild hedging.

You will all have noticed that we are having unprecedentedly hot weather (this is the hottest driest year since the infamous 1976 where a drought minister was appointed) and wildlife although resilient are finding conditions tough in temps over 35deg c as well all are but there will be casualties that don't survive it this is especially true of the amphibians!

Our pond water levels, as you can imagine are continuing to fall rapidly and the Committee are aware that this has happened frequently over the last few years.

Apart from a population explosion in the fly population, you will have seen as their predators like swallows and swifts get lower insect numbers are low as are pollinator numbers. However butterflies are having one of their best years like the meadow specialists like ringlet, meadow brown and gatekeeper who lay their eggs in the longer grasses in the meadows. Bats too arrive from nearby Ploughman Wood and we have included bat boxes in the alder trees surrounding the pond – bats to be seen are the water bat the daubenton, long eared, noctule and the soprano pip and common pip.

The daubenton bat is a small to medium sized bat with fluffy brownish fur pale silver-grey belly and a pinkish face. It can live for up to 22 years in the wild!

We are getting ready to welcome the sheep to graze the meadows either at the end of this month or in early September but the orchard and newly created wildflower area near the west bench will be protected by an electric fence.

We also have a vacancy for our Chairperson to lead the group so if you would like to join us to help create something special here please contact Ian Kassell – Secretary @ ianpkassell@outlook.com or join the committee – we would be delighted to welcome you. We have our Committee Meetings every 2nd Tuesday in the month at the Village Hall Meeting Room.

EMAIL: info@thevillagekitchen.com

In June, we had the second of our summer outings which was an interesting guided walk round Southwell. Members of Southwell Local History Society took us round Southwell, starting near the Minster looking at all the major historical points.

We do not have a meeting in August so our next meeting will be back at the Lowdham WI Hall on September 28th for a talk by Graham Hayes on the Da Vinci inventions.

Snippets from the LHS Archives

This is the next in a series of photographs and articles collected by the LHS featuring Lambley in the past. We have many photographs in our collection, but if you have any photos or recollections of people, places or events from Lambley we would love to see them. We can scan and return any photos and as much information as possible is always useful.

This month's photo is an aerial view of on Main Street taken in 1964. It shows Primrose Cottage, Castle Nurseries, and part of New Row

LAUGHIN LAMBLEY LUNCH CLUB

In Julie's absence, "The Dinner Ladies" were in charge of proceedings. We had a summer menu of Ploughman's lunch, followed by a sumptuous "chocolate crumble flan" pudding. This was kindly provided by Jane Williams, who told us it was a long-standing family favorite family recipe.

After lunch we had the usual highly competitive games of Bingo and "Sticky Thirteens".

Some of our regular members were unable to come to the lunch due to illness and we hope they will be able to join us at the next lunch. We also took a lunch to a member who was unable to attend at the last moment!

The next meal will be on **TUESDAY 18 AUGUST 2026** and if anyone who has not attended before please just turn up anytime between 11.30 and 12.00 to enjoy a meal, company and a game of Bingo and Sticky 13's.

The cost is £5.

We do have a few spaces and if you don't get out much and would like a bit of company, meal and a laugh please contact me. This also applies to couples but there will be restricted numbers. Lifts can be arranged.

If you would like to enquire further please contact
Julie 07947627168

LAMBLEY BONFIRE 7 NOVEMBER

Shhhhhhhh! It's the 2026 Lambley Quiet Firework Display!

And Lambley needs you!

We hope to give another warm welcome to our many visitors again this year. We have a team of fabulous volunteers who have supported us over the years and we very much hope that they will do it again this year but, as our event has grown, we need more support, please!

We need:

Health & Safety Marshalls: mingling with our visitors and making sure they're OK

Traffic Marshalls: directing cars to the nearest car park

Footpath Marshalls: making sure no-one sneaks in without paying!

Car Park Marshalls: at Gedling Country Park and possibly another location, and

Bus Conductors: taking payment on the car park buses

This year, our event will be held on Saturday 7th November. Entry will be from 4pm and the event will close at 7:30pm. Volunteer support is also welcome to set up and strip down.

If you'd like to help, in return for free entry to our legendary display, please message or call:

Julie: 07947 627 168

Sara: 07771 535 820

We look forward to hearing from you!

And remember, all the money raised goes directly into village amenities, facilities and features.

Thank you!

Our speaker in July was David Bell from Farnsfield honey. David's interest in bees first began in childhood but it wasn't until he retired from full time work that he was able to turn his interest into a hobby.

His plan was to produce just sufficient honey for family and friends but demand rapidly exceeded supply and what started as a small enterprise with 2 hives has now expanded to 36 hives, considerably more work than David had anticipated his hobby would become.

We learnt what fascinating insects' bees are and how as a small producer of honey David doesn't use any chemicals to control the many potential pests although the larger commercial honey producers still do albeit to a much lesser degree than used to be the norm.

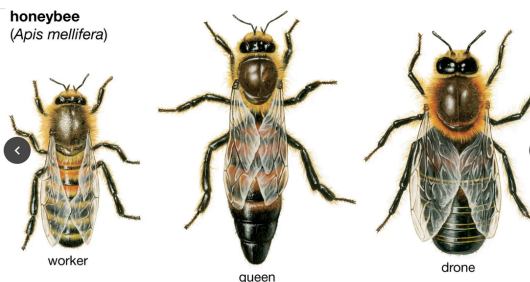

A Queen bee can lay 1-2,000 eggs a day and a swarm of bees is definitely a matriarchy controlled by the Queen. A full hive of honey can weigh 40-50lb and bees wax is harvested as well as honey which David makes into candles and tea lights. The worker bees work so hard in Summer that they only live for 4-6 weeks.

We were fascinated to hear that the bees do a little dance to let the rest of the hive know where to find pollen. They do a sort of figure of 8 dance whilst wiggling their bottoms! Additionally, it is apparently possible to train bees very quickly to identify cocaine. It takes only days to train a bee whereas a dog can take 2 years but as bees have such a short life span its totally impractical unsurprisingly.

David told us that much of the honey sold in supermarkets is heavily adulterated with other ingredients which allows it to be sold so much more cheaply as it sometimes can be as little as 5% honey so no surprise that proper honey is more expensive.

We were all fascinated and there were lots of questions for David. We will all look at bees with even more admiration than we already had.

The evening began and ended with social time and we were able to purchase some of Richard's most excellent honey.

July 15th was our annual summer trip, this time to Trentham gardens. The weather continued to be with us and some of our ladies explored the gardens whilst others indulged in retail therapy and leisurely coffee and lunch breaks.

Our next meeting is **Monday 10th August**. Weather permitting, we will have a picnic and games on the field. If the weather is inclement we will be in the hall. Doors open at 7pm for a 7.30 start.

Come along to one of our super friendly meetings and give us a try. Visitors are always welcome for a small charge. We meet at 7pm for tea/coffee and a chat and meetings start at 7.30pm.

For further information/enquiries contact Michelle 07943334616, email nightingale633@gmail.com

LAMBLEY QUIZ NIGHT

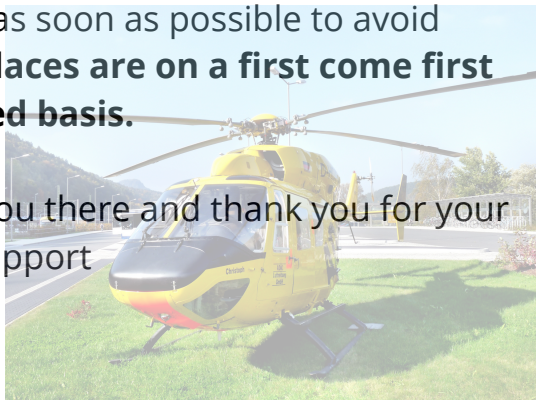

The annual Lambley Village Quiz is again being held on **Friday 20 November 2026** in the **Village Hall**. All quiz profits to go to Air Ambulance.

As usual teams are to be made up of 4, 5 or 6 in number and the cost will be **£12.50 per head including supper**. Please don't forget to bring your own wine.

Entry forms can be obtained from Julie Gregory
Tel: 0115 9312844, 07947627168 or
email: juliegreg19@outlook.com

Try to get your entry in as soon as possible to avoid disappointment as **all 25 places are on a first come first served basis.**

We look forward to seeing you there and thank you for your support

LAMBLEY PARISH COUNCIL – WHAT IS HAPPENING AT THE MOMENT

A Message from the Chair – July Update

Following our Parish Council meeting on 20 July 2026, I would like to provide a brief update on some of the key issues currently affecting Lambley.

A) Proposed Housing Development – Mapperley Plains

The proposed development of approximately 650 homes opposite Planters Brookfields Garden Centre remains one of the most significant issues facing the parish.

Depending on when you are reading this, there may still be time to submit your comments on the proposal. The consultation is due to close on 3 August, and responses can be submitted online.

Whatever your view, I would encourage residents to take the opportunity to engage with the process and make their opinions known. Decisions of this scale have long-term consequences for the character, infrastructure and environment of the parish, so it is important that local voices are heard.

B) Christmas Lights – A Challenge and an Opportunity

Unfortunately, we have still received no response from Via East Midlands regarding our request to continue powering the Christmas lights from the existing lighting columns, as we have successfully done for many years.

Unless Via changes its position, it is anticipated that the Parish Council's Christmas lighting displays will be significantly reduced this year, simply because the cost of installing separate power supplies and infrastructure would be beyond our means.

However, where there is a challenge, there is often an opportunity.

Residents across Lambley already create some wonderful festive displays each year, helping to make the village feel warm and welcoming during the Christmas season. Perhaps this is the year we can raise the bar even further. Would residents support a community Christmas lights competition, with prizes for the best displays, most creative decorations or best community effort?

We would be very interested to hear your thoughts. If circumstances force us to scale back the parish displays, perhaps the wider community can help make this Christmas one to remember. You can let us know what you think using the QR code included at the end of the Parish Council this article.

C) The Dumbles Footbridge

We have also received no further update from Via regarding the prolonged closure of the footbridge in the bottom Dumbles.

The Parish Council continues to challenge the lack of progress and has begun discussing possible alternative solutions that might help move matters forward.

We recognise how important this route is to many residents and share the frustration surrounding the ongoing closure. As soon as we have any meaningful update, we will ensure it is communicated to the parish.

More to follow.

D) Local Government Reorganisation

Councillor Helen Greensmith provided some insight into the Government's proposed programme of Local Government Reorganisation.

It remains very much early days, and any changes are likely to take several years to develop and implement. No doubt there will be many discussions, revisions and twists along the way before any final arrangements are agreed.

However, based on the information currently available, it appears that Lambley is unlikely to be incorporated into an enlarged Nottingham City area, something a number of residents have asked about previously.

We will continue to monitor developments and provide updates as the picture becomes clearer.

E) Village Hall and Recreation Ground

Representatives from Arc Partnership, which manages property matters on behalf of Nottinghamshire County Council, attended the meeting to discuss the long-running shared access arrangements associated with the Village Hall site.

This is a surprisingly historic matter, with some agreements dating back to the 1950s. Discussions focused on how the Village Hall, Multi-Use Games Area (MUGA), playground and surrounding facilities are used today, together with the various responsibilities attached to them.

As part of this work, we will continue exploring with Nottinghamshire County Council how these facilities are managed and maintained in the future, ensuring arrangements remain fit for purpose and continue to support the needs of the parish.

F) Playground Update

This naturally led into a discussion about the playground.

As many residents will know, a separate group is doing an excellent job exploring future options for the site, which is now in need of significant investment and improvement.

Nottinghamshire County Council owns the land, whilst the previous playground was largely delivered through local fundraising and community effort.

The Parish Council fully supports the work being undertaken and is keen to understand the various options available. As discussions progress, we will continue to work with both Nottinghamshire County Council and the playground group to help identify the best way forward.

When the playground group seeks your views, please do take the opportunity to respond. Community support and involvement will be essential in shaping the future of this important village asset.

G) Parish Clerk Vacancy

The Parish Council has begun the search for a new paid Parish Clerk.

The Clerk plays a vital role in supporting the Council, ensuring that meetings, finances, administration and governance arrangements run smoothly.

If you, or someone you know, may be interested in the role, please take a look at the advertisement elsewhere in this edition.

Looking Ahead

Alongside these ongoing issues, we continue to develop our thinking around a one-, three-, five- and ten-year vision for Lambley. In the coming months we will be asking residents for their views on how the parish should evolve and where our priorities should lie.

Reasons to be Cheerful

With summer now in full swing, enjoy it! However, there is also much to look forward to in the months ahead. Preparations are already underway for both the Village Show and our annual Firework Event. Whilst plans are still being finalised, anyone who has attended in previous years will know these are two of the highlights of the parish calendar and not to be missed. They are a wonderful example of what can be achieved when volunteers, local organisations and residents come together to make great things happen.

Although the Parish Council does not meet during August, our work continues and we remain available to residents throughout the summer. Please continue to contact us with your questions, comments and ideas. We look forward to updating you again in September.

We are grateful for having the opportunity to contribute to The Lambley Life Magazine once again. We continue to receive feedback about speeding across Gedling South. PCSO Trevor Parkinson and the team will continue to conduct local operations over the following quarter as we understand that this remains a community concern. PCSO Parkinson continues to look for new volunteers to receive training on the Community Road Safety (CRS) training so if you would like to get involved please get in touch with him at trevor.parkinson@notts.police.uk. Over the last several months we have conducted several Speeding Operations in or around Lambley Lane and Nottingham Road and will continue in other areas over this quarter.

Gedling Borough Council (GBC) have had a Public Spaces Protection Order (PSPO) since June 2023 for a 3 year period. Over the last 3 years this has been a success and both GBC and Police have worked closely to ensure a reduction in offending, but also enforcement and prosecution of offenders. On 23rd June 2026, GBC Representative Andy Shaw secured an extension of the PSPO for another 3 years (until 23rd June 2029) which is fantastic. The Police and GBC will continue to robustly police this with a zero tolerance approach.

Over the last several weeks, Police have received information from Community Stakeholders about the increase in ASB, in the neighbouring area around Burton Joyce involving young people in large groups, on bikes and e-scooters. We understand this will be a cause for concern for the community and its residents. The local Gedling South Neighbourhood Policing Team (NPT) are aiming to put a plan in place to reduce ASB. Interventions and measures may include an increase in patrols, partnership working with GBC for ASB warning letters with consideration of Acceptable Behaviour Contracts (ABC's) for prolific children, referrals to Youth Offending Teams and seeking the support of Youth Services to engage and divert children to suitable diversionary programmes. We hope this approach can improve the quality of life for the community but also importantly help support the young people in the area by taking an educational approach.

The team have held a number of Beat surgeries in the last few months across the area and we continue to listen to your issues and concerns. We would like to encourage more attendance so we can identify and address local matters of concerns. Below are the further dates for Beat Surgeries across Gedling South during the third quarter of 2026:-

- Carlton – 1045 - 1145 hrs on 16.07.26 at St James Church, Marshall Hill Drive, Mapperley
- Colwick – 1700 – 1800 hrs on 13.08.26 at Carlton Library, Station Road, Carlton
- **Lambley - 1400 – 1500 hrs on 28.09.26 on at Lambley Holy Trinity Church, Lambley**

The team will also continue to conduct 'Lets Talk' events in the third quarter and beyond on a monthly basis. You may see officers at supermarkets, community events, on your local high street or a local Park Run event. This remains a great way of getting to the know the team and sharing any issues or community concerns.

In terms of crime statistics, the area remains safe and the crime figures are low. There are no particular crime patterns or trends that are of a concern, but I would like to take this opportunity to remind residents to ensure they secure their properties and to always be vigilant. If you see something concerning, please report to 101 in a non emergency, or 999 if a crime is taking place.

Could I once again take the opportunity to encourage residents to sign up to the Notts Alert (www.nottsalerts.co.uk). This is a great way of being provided crime / safety advice as well information around future Beat Surgeries.

In relation to the local team, there will be some changes taking place. PC 2358 Mark Szeremeta will be retiring in September 2026 and has been a fantastic stalwart for the area. PC 1617 Baz Riley has recently joined the team in June 2026 and will be replacing Mark as your dedicated Police Constable and will continue to work alongside PCSO 4332 Trevor Parkinson trevor.parkinson@notts.police.uk. We look forward to seeing you at some of the future Beat Surgeries.

Inspector Steven King

CHURCHYARD MAINTENANCE

We will be doing churchyard maintenance on **Saturday 1 August 2026** at 10.00 a.m. The churchyard is looking lovely so please feel free to come along and lend a hand. There is always something that needs doing. We will be doing general planting, tidying up and sweeping duties and anything that needs attention. If you would like to join us, please just turn up. If you could bring your own trowels etc... that would be great. Refreshments provided.

CALVERTON & DISTRICT U3A – has over 30 special interest groups, giving anyone who has finished full-time work the opportunity to meet new friends, learn new skills and, above all, have fun. All are welcome, not only from Calverton but all surrounding villages. Our monthly speaker meetings are held in Calverton Village Hall, Park Road, Calverton, NG14 6LE 10 a.m. to 12 p.m. (doors open at 9.30) on the second Wednesday of each month. There is free parking. For full information visit: www.calvertonu3a.co.uk or contact 0115 965 4611

BACON AND MUSHROOM PASTA

Thank you to Good Food for the recipe

Ingredients to serve 4

400g (15 oz) Penne
250g (8 oz) Chestnut
mushrooms
8 Rashers of streaky
bacon
4 tbsp Pesto
200 ml carton of 50% fat
creme fraiche
Handful of fresh basil
leaves
Parmesan to sprinkle

Method

Cook the pasta in boiling water in a large non-stick saucepan according to pack instructions. Meanwhile slice the mushrooms and snip the bacon into bite-size pieces with scissors or a sharp knife.

Reserve a few drops of the cooking water in a cup or a bowl, then drain the pasta and set aside. Fry the bacon and mushrooms in the same pan until golden, about 5 minutes. Keep the heat high so the mushrooms fry in the bacon fat, rather than sweat.

Tip the pasta and the reserved water back into the pan and stir over

the heat for 1 minute. Take the pan off the heat, spoon the pesto and creme fraiche and most of the basil and stir to combine.

Sprinkle with remaining basil and serve.

NEWS FROM THE PEWS

SERVICES AT HOLY TRINITY CHURCH AUGUST 2026		
Sunday 2nd August	Morning Praise	11.00
Sunday 9th August	Morning Praise	11.00
Sunday 16th August	Morning Praise	11.00
Sunday 23rd August	All Age Communion	11.00
Sunday 30th August	Holy Communion - joint service at All Hallows	10.00 NB time change
Sunday 6th September	All Age Communion	11.00

SERVICES IN AUGUST

This month our services do not follow the usual pattern due to Tasha, Rob and Jane taking their summer holidays with their families. There will be a service each Sunday so please join us if you can.

PRAYERS

This month we pray for parents and children, families and teachers as they take a brief break from the daily, term time routine. School holidays create their own challenges and for some people juggling child care and work can be both difficult and expensive. We hope that this time will be refreshing and restorative and that in September people will be ready for the beginning of the new school year.

We pray also for the young people who have recently taken their GCSE O level and A level exams and wait with bated breath for the results which come out this month. We especially pray for those whose results are not what they are hoping for; that they will be able to cope with this news and be supported by family and teachers moving forward.

MESSY CHURCH

There will be no Messy Church in August.

IN MEMORIAM

We are remembering the following people in August:-

Date	Name	Year of death
1 st August	Constance Fraser	2007
2 nd August	Irene May Porter	2023
4 th August	Paul Parr	2004
	Mabel Hardy	2011
7 th August	Harry Downing	1997
8 th August	Jennifer Peyton	1995
	Robert Berry	2020
11 th August	Frances Wood	1997
17 th August	Constance Radford	1997
21 st August	Vera Rogers	2003
26 th August	Alan Cox	1994
27 th August	Gladys Bond	2001
28 th August	Edna Hardy	1994
30 th August	Richard Carnill	2023

The background of the page features a soft-focus image of autumn leaves in shades of yellow and orange at the top. Below this, a light blue sky is visible. In the center, there is a faint illustration of a greenhouse with a gabled roof. A cartoon character, a green figure with a grey body and a smiling face, is standing in front of the greenhouse, holding a large pair of garden shears. The title 'Jobs in the garden for August' is centered in a black box with white text.

Jobs in the garden for August

1. Prune wisteria.
2. Summer prune trained apples and pears.
3. Deadhead flowering plants regularly.
4. Water containers and new plants, preferably with grey recycled water or stored rainwater.
5. Collect seeds from garden plants.
6. Harvest sweetcord and other vegetables as they become ready.
7. Cut out old fruited canes of raspberries.
8. Lift and pot up rooted strawberry runners.
9. Keep ponds and water features topped up.
10. Improve soil with green manures.

Does your double glazing have condensation? Why change your windows when you can just change the glass for a fraction of the cost? We supply and fit double glazed units. 24 hour emergency boarding up service. Supply and fit UPVC windows, doors and soffits. Free quotes provided on request.
