# WELCOME TO LAMBLEY LIFE

Welcome to the June 2026 edition of Lambley Life magazine.

A **BIG** thank you to all those who continue to make a donation towards the costs of printing the magazine - it can't survive without you or the advertisers who sponsor us. It costs just over £1 to produce each copy and we have over 600 copies a month - we need £650 each month to enable the magazine to keep going on a free basis. As well as the remuneration from the advertisers, without which we would not be able to provide this free, we also rely on donations. I have also been asked how to donate as some villagers feel they need to contribute. Well you can contact myself (Julie) on the details below and payment can be arranged either by DD to Lambley Parish Council (details will be given) or cheque or cash.

If you use a contact from one of our adverts, please make sure that you let them know where you found their details as this will encourage them to keep advertising!

**We still need your pictures for the front cover of anywhere in and around the village or Lambley related. Thank you to those who have contributed so far - your pictures will be used.**

The front cover this month is from Jane Tait on the footpath leading from the bridge in the bottom dumbles (when open!) to the top of Lingwood Lane.

Please send your comments, suggestions, contributions to us at [lambleylife@gmail.com](mailto:lambleylife@gmail.com) or call Julie on 07947 627168. We are always happy to hear from you! To advertise or sponsor the magazine the contact details are the same.

**The Lambley Life Team**

# COWSLIP SUNDAY REVIVAL

Celebrating Cowslip Sunday, May 2026

Thank you to everyone who came out to our event celebrating Cowslip Sunday in the Village Hall on Sunday 3rd May.

This was hosted by the Framework Knitters Museum based in Ruddington, with me wearing my two hats as both the Museum Manager and as a Lambley resident.

The day was about celebrating Lambley's May time tradition of Cowslip Sunday and highlighting the village's important heritage as one of the prime sites for framework knitting in the 19th century.

There were displays from Lambley Historical Society and the Reed Pond Group; demonstrations from the Notts Guild of Weavers, Spinners & Dyers; live music from John Crawford; family storytelling; circular knitting demos and the opportunity to create the Museum's Knitted Green Man. Plus sumptuous cakes and refreshments from Lambley WI.

Many thanks to all contributors and to the many visitors who came throughout the day.

## So, What's Next?

Over a decade ago I was involved in reviving Cowslip Sunday for the village. This saw a cowslip procession through the village, arts & crafts displays and an outdoor community play. This year's revival was more low-key, with the museum's presence emphasizing Lambley's framework knitting heritage.

Cowslip Sunday could grow again as an important annual event for the village, showcasing artists and craftspeople, but also being a day of traditional May time fun.

If anyone is interested in being involved in a small working group to explore and develop Cowslip Sunday, then please do get in touch. I can then look to set up an initial meeting in the Hall to see where we can go with this.

Please get in touch with me at  
[david.longford@frameworkknittersmuseum.org.uk](mailto:david.longford@frameworkknittersmuseum.org.uk)

David Longford

---

## Going on holiday?

### Worried about your plants and garden? 🌱

Please contact Woody (12) — a reliable and respectful young man who lives in the village. Woody is looking to earn some pocket money by watering residents' gardens and outdoor plants while they are away.

A water source must be provided  
Woody can bring his own watering cans  
Available after school and all weekend

A quick visit can be arranged to agree on a daily cost.

Please contact his mum, Emma, on: 07969 497678

# CoppaFeel

In September 2026, I will be taking on a truly personal and meaningful challenge: trekking along the Great Wall of China in support of CoppaFeel!, a charity dedicated to raising awareness of breast cancer in young people.

This journey is especially close to my heart. In 2022, I was diagnosed with breast cancer. It was a time filled with fear, uncertainty, and immense challenge for my family and me—but also one that showed me the importance of early detection, awareness, and support.

CoppaFeel's mission is to encourage young people to check their chests regularly and to know the signs of breast cancer. Their work helps ensure that more cancers are caught early—when they are most treatable. By taking on this trek, I hope to support their efforts and help protect future generations from facing the same experience I went through.

The trek itself will be demanding, covering miles of steep, uneven paths along one of the world's most iconic landmarks. It will push me physically and mentally—but that challenge feels small compared to what so many face when dealing with cancer.

I am aiming to raise £4000 for CoppaFeel!, and I would be so grateful for any support from our wonderful village community. Every donation will go towards raising awareness, educating young people, and ultimately saving lives.

In June I will be hosting a cake, tea and fizz event (see poster), please come along and support if you can or a small donation would be much appreciated. Thank you for helping make a difference,  
Lindsay (Hall)

# Simpler Recycling changes in England from 31 March 2026

## Changes to what can go into your green recycling bin

From 31 March 2026, all councils must provide recycling collections for:

glass, including bottles and jars, paper, card, metals, including food and drinks containers, empty aerosols and clean foil, plastics, including bottles, tubs, pots, tubes and trays.

### Food Waste\*

\*It has been agreed by Government that food waste collections will not start until October 2027 across Nottinghamshire. More information on this will be provided nearer the time.

## Additional items accepted in household recycling from 31 March 2026

From this date, you can add the following items into your recycling bin. They must be empty and clean before putting them in the bin. Put them in the bin loose - **NEVER** in plastic carrier bags/bin liners.

Foil and metal trays

(foil needs to be clean, dry and scrunched into a ball)

cartons and Tetra Pak

plastic pots

plastic tubs (e.g. ice cream tubs)

plastic trays (e.g. fruit punnets, plastic egg boxes, ready meal food trays \*not if black in colour)

plastic tubes (e.g. toothpaste tubes)

## Trip to Buckingham Palace

On 12 January 2026 I had a surprise birthday present through the post with my birthday cards - an invitation to Buckingham Palace Garden Party. How lovely. This was thanks to Mark Goldby and others for putting my name forward for "Service in the Community". I must add that this would not be possible without the help of many friends and volunteers! We set off on the morning of 6 May on our adventure by train arriving at 10.05 so plenty of time to browse around Covent Garden and then get ready. We took a taxi - the weather looked threatening and it was drizzling when we arrived at the Palace, entering through Hyde Park Corner gateway. There was a large queue but fortunately, as we joined the queue, the drizzle stopped. We did not know which Royals would be present but it turned out to be King Charles, Queen Camilla and Prince Edward and Sophie, Duke and Duchess of Edinburgh. We walked in through the gardens and marquees and though we saw a roped off area with people gathering we did not realise until later that this is where the Royals walked from the palace through the crowds and to the Royal Tea Tent! The crowd were 7 or 8 deep around these areas but I did manage to get a few pics by standing on a chair!

## Standing at the “back door” The Menu

The Beefeaters were on duty

There were two brass bands playing for the whole party. We met and talked to some fantastic people who were there for all sorts of reasons; there was a farmer lady from Belfast who was campaigning for more humane movement of animals, some ladies and gentlemen for serving 40 years in local government and then there was Sarah (sister of our local plumber Simon Hines) who attended on the Friday (with Prince William and Kate, Prince Edward and Sophie and Zara Tindell) for her services to the Girl Guides in Calverton.

We queued for our "tea" that was served in a large marquee with beautiful flowers. The food was lovely – so much choice even for me as a coeliac – I was brought a separate plate from the rear ready prepared and it looked just the same as the food on offer on the tables! All sandwiches (crusts removed) were cut into rectangles of egg and cress, ham, tomato and wholegrain mustard and cream cheese, cucumber and spinach. There were multiple choices of sweets including small cheesecakes, almond slices with blackcurrant, strawberry Battenburg and many more (see the menu). There was a choice of hot tea or iced coffee and cold drinks. Later you could go back for a tub of ice cream!

We saw King Charles from a distance – he was chatting to the crowd as he made his way down to the Royal Tea Tent – it took him around 25 minutes to walk 30 yards he was so busy talking to people on his way.

It is an experience never to be repeated because once you have been to a garden party you are not allowed to go again – it really is a one off. Thank you to all those who made it possible and my hubby Andy for his presence on the day. We thoroughly enjoyed it.

Julie

# The Reed Pond Ramblings

From the Lambley Reed Pond Group

Welcome to the June's edition of the Reed Pond Ramblings.

On a beautiful sunny day, we planted a variety of meadow plants including Wild Carrot , Oxeye Daisy , Field Scabious and Marsh Mallow. These will create a meadow area between the western bench and the hedge. We look forward to seeing the flowers bloom and the many pollinators they will attract.

As well as the meadow planting , some of the committee members got their feet wet planting pond -loving plants around and in the pond. These included Marsh Marigold and Water Plantain.

If you are walking through the Reed Pond, you will see that we have placed signs asking people to keep off the wildflower area and avoid walking on certain parts of the reserve to protect ground -nesting birds, which prefer to nest in undisturbed grass and field margins.

We may also have hares rearing their young in these areas, as unlike rabbits, hares do not live in burrows. Instead, they live entirely above ground, giving birth in shallow depressions in the grass called “forms”.

The Orchard is looking beautiful, with many of the trees in blossom, so fingers crossed for a bumper crop of fruit this year .

For more information about the Reed Pond you can find us on Facebook or check out the Parish Council website.

Meetings are held in the Village Hall the second Tuesday of the month.

**Next meeting 9th June 7pm**

# THE LAMBLEY VILLAGE KITCHEN

At The Lambley Village Kitchen, families, walkers, dog owners and locals are welcomed into a warm, friendly pub where good food and a relaxed atmosphere come first. From hearty favourites to feel-good dishes and a great selection of drinks, there's something for everyone.

With flexible spaces for parties and functions, a sunny terrace and a spacious pub garden, it's the perfect spot to celebrate special occasions or simply enjoy a meal and drink with friends.

**TEL: 0115 8089260**

**EMAIL: [info@ravillagekitchen.com](mailto:info@ravillagekitchen.com)**

## **Rita's Obituary**

My wonderful wife Rita Bamford sadly passed away on June 10th 2025.

She will be fondly remembered for her happy, friendly demeanour which she bestowed on everyone she met.

It broke my heart to lose her but she didn't go alone. Part of me went with her wherever she may roam.

Malcolm Bamford

## **Planters around the village**

These planters are looked after and tended by volunteers. Flowers can be obtained from Stones Nurseries if required on a tab provided by the Parish Council.

If you would like to help we still have a couple of areas that we require help to look after. They are the area around the "Lambley Sign" opposite the bus shelter and the planter by the Woodlark. If anyone is on holiday we do have holiday cover. Please contact Julie or Ann via the contact details for the magazine. Thank you!

In April, David Longford and Susan Russell from Ruddington Framework Knitters Museum gave a fascinating talk about their work at the Museum. They looked at the wider history of framework knitting and its role in the unique celebrations of May Day, including Lambley's very own Cowslip Sunday.

We researched some of the history of framework knitting in Lambley and presented this on display boards at the Cowslip Sunday event. There was a lot of interest shown, particularly in some of the family histories. David then took the boards to display at a similar event at Ruddington Framework Knitters Museum on bank holiday Monday.

Sadly, we received the news that our oldest member, Margaret Holland passed away recently. Margaret was a member for many years and served on the committee for some time. She will be much missed for her friendly nature and help, with a smile for everyone. We have many happy memories of her.

Our next summer outing is on Tuesday June 9th for a guided walk round Southwell. Members of Southwell Local History Society will take us round Southwell looking at all the major historical points.

New members and guests are always welcome.

## Snippets from the LHS Archives

This is the next in a series of photographs and articles collected by the LHS featuring Lambley in the past. We have many photographs in our collection, but if you have any photos or recollections of people, places or events from Lambley we would love to see them. We can scan and return any photos and as much information as possible is always useful.

This month's photo is an aerial view of Main Street taken in the 1960's.

Did you see mum and dad Greylag  
Geese and their 5  
goslings walking down the main street  
on 30 April?

Kind motorists stopped and some  
villagers made sure they were escorted  
to safety into the driveway opposite the  
garage.

## LAMBLEY NATURE WILDLIFE TIPS APRIL 2026

This is a poem we were given I hope you will read it – what is more apt to celebrate the life of our greatest natural world tv personality Sir David Attenborough born in the next county Leicestershire turned 100 last month and still fighting to protect our world.  
Last month we celebrated “Cowslip Sunday” but where are our cowslips and daisies in the village as one young child said !!!!!

I read a book the other day  
By a man with much to say  
About the way this world has now turned out  
And while there's much that he admires  
Theres such a cost it now transpires

He has to say his mind is drawn to doubt  
Our buildings now can reach so high  
They genuinely scrape the sky

Into a realm that only birds had flown  
Our transport system, road and rail  
Aeroplanes leave snow white trail

To mask the greens and blues we'd always known  
In concrete, glass and tarmac lives  
We've lost the joy that generations derived

From simply living with the earth beneath our feet  
We've lost our Swifts that cannot eat  
A place that they could once raise their chicks  
Now sadly no longer exists

How strange that evolution turns  
To favour he who never learns !!!

The value Mother Nature gives for free  
And when the rest becomes extinct  
Will the foolish ever think  
That soulless lifeless mess I see – is actually down to me !!!!!

## **Lambley Village Show 2026**

This year the Lambley Village Show will be held on Saturday 5th September at the Village Hall and School Field. Once again we will be raising funds to put towards village projects. This year there will be an opportunity at the show to put your own ideas forward for how these funds will be spent. We could not raise the fantastic amounts raised every year without your continued support, for which the committee would like to say a huge thank you. With this in mind we would be very grateful if any businesses or villagers are able to provide help on the day or donate raffle/tombola prizes for the show. Please contact us on [Lambleyvillageshow@outlook.com](mailto:Lambleyvillageshow@outlook.com) or by calling Alison on 07557 912357 if you are able to help. Thank you.

This year's Scarecrow Competition theme is a James Bond character. Please have a go, join in the fun, get your thinking caps on and enter your scarecrow into this year's village show competition. We also welcome entries from outside the village, and will make room available for them to be displayed in a central location. The entry form will be available in the show programme, which every household will receive in due course, or by emailing

[Lambleyvillageshow@outlook.com](mailto:Lambleyvillageshow@outlook.com). The scarecrows need to be on display, no later than 10 am on Wednesday 2nd September. A photograph will be taken of each entry and these will be on display in the entrance to the village hall on show day, Saturday 5th September. A public vote will take place at the show to establish the winner. It would be fantastic to have lots of entries this year and to get the children of the village involved in making scarecrows. There is a trophy to be won, which the winner will keep for one year, on to which their name will be engraved. We look forward to receiving your application form. Unfortunately, we cannot take any responsibility for loss or damage to any property used in making your scarecrow.

It would also be lovely to see more entries in the children's competition this year. The classes are outlined below. Please do encourage your children to have a go. The overall points winner and the best entry in the children's show will win a VIP pass to Florlands Farm Park. Good Luck!

The Children's Classes for this year's shows are:-

A Miniature Garden in a container no bigger than 38cms by 24cms

A vehicle made with recycled materials

A cookery exhibit, choose from 6 scones, 6 biscuits, 6 decorated cupcakes or a large decorated cake.

Decorated pebble

A landscape picture, this can be a drawing, painting or collage

Vegetable animal

Children's Sewing Class, any item made using sewing, embroidery or cross stitch

Children's photographic competition – any photo taken by a child of a flower.

## LAUGHIN LAMBLEY LUNCH CLUB

A lovely meal of lasagne, salad and new potatoes was offered followed by rhubarb and strawberry crumble, cream or custard.

Seconds were offered and some were taken up!

It was a little subdued this week as we had recently lost two of our members - Betty Cox aged 94 and Margaret Holland aged 99 - she was the oldest resident in the village. This honour now falls on Kitty Foster.

Betty's funeral was on the same day - I am sure she would have planned that herself as she loved coming to the meals and playing Bingo and Sticky 13.

The next meal will be on **TUESDAY 16 June 2026** and if anyone who has not attended before but would like to join us just let me know (for the catering numbers) and just turn up anytime between 11.30 and 12.00 to enjoy a meal, company and a game of Bingo and Sticky 13's.  
The cost is £5.

**We do have a few spaces and if you don't get out much and would like a bit of company, meal and a laugh please contact me. This also applies to couples but there will be restricted numbers. Lifts can be arranged.**

If you would like to enquire further please contact  
Julie 07947627168

## NEIGHBOURHOOD WATCH

Neighbourhood Watch Network We are the largest crime prevention movement in England and Wales with 2.3 million member households. Our aim is to bring neighbours together to create strong, friendly, active communities where crime and exclusion are less likely to happen. Our vision is that of a caring society focused on trust and respect in which people are safe from crime and enjoy a good quality of life.

Neighbourhood Watch is about making sure that fewer people feel afraid, vulnerable or isolated where they live. Do you know about Easyfundraising for Neighbourhood Watch When you shop online with participating retailers, they'll donate part of what you spend to your chosen cause. Whether you shop on your phone, laptop or tablet, you can earn free cashback donations for your cause. The retailer just needs to know you are an easyfundraiser to give a donation, and they know this if you visit them from our website, app or Donation. We work with over 8,100 retailers like John Lewis Yes! Once you have an account set up on easyfundraising, you will have the option to install our browser extension which we call, our Donation Reminder. It will pop up on every retailer site where a donation is available which means you don't have to remember to come to easyfundraising first! Brands pay us a commission when a sale is made on their website from a customer who has come via easyfundraising. We pass on at least 50% of that commission to the cause you have chosen to support. The donation amount you see on our website, app or browser extension is the amount we pay across to the cause.

We also make money from advertising retailer offers and promotions in emails and on our website. Most retailers pay a % of what you spend with them as a donation, for example if you spend £150 on a hotel via booking.com, they will donate 3% which is £4.50. Some retailers pay a flat amount, for example if you buy car insurance with confused.com via easyfundraising, they will donate a flat £15 regardless of the cost of the policy.

**Next meeting Wednesday 10 June 2026**

# FOR EVERYONE WHO WALKS FOOTPATHS THROUGH FIELDS

In December 2025, Parliament passed a significant overhaul of the livestock worrying law in England and Wales.

As we have miles of amazing footpaths in our village, many of which pass through fields grazed by farm animals, and lots of us enjoy these with our dogs by our side, it is worth familiarising yourself with the New laws that have recently come into force to protect farm animals from dog attacks from March 2026

- The new law expands the definition of livestock currently protected, as well as sheep, cows and other farm animals it now covers Camelids (such as llamas and alpacas)

- The maximum penalty for livestock worrying has increased. Livestock worrying, describes when a dog you own or are in charge of chases, attacks, or causes distress to livestock on agricultural land. These attacks can lead to injury, death of the animal or abortion of unborn babies. This fine has increased from £1,000 to an unlimited fine and police now have powers to seize and detain a dog where they have reasonable grounds to believe it has attacked or worried livestock and that there is a risk it could do so again.

The police will now have stronger powers and can investigate incidents more effectively. These powers include entering premises to secure evidence or animal DNA. Alongside this, courts will also be able to require offenders to cover the costs of seizing and caring for a detained dog.

The longstanding emergency right for a farmer to stop or humanely kill a dog acting in the process of worrying livestock still remains.

These changes have been put in place to reduce the emotional and financial strain placed on farming communities from these dangerous attacks. This will not only save animals any distress but potentially save farmers thousands of pounds a year from replacing their animals.

## What This Means for Dog Owners

Be Extra Vigilant Near Livestock:

- Keep dogs under close control at all times near sheep or other animals.
- Use a lead when livestock is nearby, even on public paths.
- A dog doesn't need to make contact with livestock to commit an offence — showing fear or distress is enough.
- Report any incidents of livestock worrying to the police or local farmers
- Ensure your dog cannot escape from homes or gardens near livestock fields,

Carol Parkin  
**Tel:**

May is the start of our new WI year with the issue of the programme of events for the forthcoming year along with key village events in which we participate and ask for volunteers. During May we also participated in the Coswslip Sunday event which was a really lovely day and hopefully it may become an annual event.

Our speaker for May was Richard Pincott, the Field Detective, and our interest was piqued when he told us that every field tells a story but not necessarily the one you are expecting! The field detectives are a volunteer group of historians who have been operating since 1999 and have journeyed through time surveying fields and investigating the history of our local landscapes.

Richard and the team have found many interesting artefacts but the treasure has always been the stories the field can tell. The team has worked with many Nottinghamshire and Leicestershire farmers and amazingly a constant theme has been artefacts relating to the transport of night soil (poo) from Nottingham which is integral to the history of Nottingham's industrial past as it is a story about the people who were there (interestingly there is a National Poo Museum on the Isle of Wight).

The team is not only interested in artefacts but also in people demonstrated by an investigation into an aircraft crash in a field in 1946 which resulted in the family of the South African pilot being able to visit his final resting place. They also located the crash site of a Lancaster bomber which flew out of Langar in 1942 and crashed in the Langar area on return. Richard was keen for us to understand that treasure is not just about treasure trove but also about people and being able to give closure to some families. Currently the team are undertaking work on parish boundaries which has unearthed evidence of Roman villas and places of worship associated with local priories. It was a fascinating talk leaving us with many more questions than time.

At this meeting we also took donations for the food bank and shared a plant swap.

We were saddened to hear of the death of Betty Cox in May, a past WI President and one of the founder members of our WI. A real WI stalwart.

Our next meeting is Monday 8th June when we will be giving steel pan drumming a go!

Doors open at 7pm for a 7.30 start

Come along to one of our super friendly meetings and give us a try. Visitors are always welcome for a small charge. We meet at 7pm for tea/coffee and a chat and meetings start at 7.30pm. # LAMBLEY PARISH COUNCIL – WHAT IS HAPPENING AT THE MOMENT

## **A Message from the Chair of Lambley Parish Council**

After ten years of living in Lambley, I am honoured to introduce myself as the new Chair of the Parish Council. I am a Chartered Surveyor by profession and first became involved with the Council after attending a meeting out of interest. From that point onwards, I found myself increasingly engaged in the work it does for the parish, and I have now served as a councillor for a decade.

I would also like to express my sincere thanks to Lawrence Milbourn, who has served as Chair over the past year and in previous years. His steady leadership and commitment to the parish have been greatly appreciated, and I am pleased to share that he has now accepted the position of Vice-Chair.

Whether you have lived here all your life or have recently joined us, whether you enjoy the rural setting or prefer to take an active role in local life, you are equally valued. The Parish Council represents the whole parish, and we are committed to ensuring that every household and every area of Lambley has a voice. Our purpose is to represent the parish within the wider Gedling and Nottinghamshire context, ensuring we can secure the services and improvements our community needs.

When I first joined the Council, I had very little understanding of what a Parish Council actually did. It can seem like a traditional or distant institution, but in reality we are simply a group of residents who live, work, and care deeply about the parish. With that in mind, I would like to offer some clarity about what we do.

### **A) We are all volunteers**

All councillors contribute their time and skills alongside work and family commitments. Many also support community activities such as the village show, firework night, comedy evenings, quiz nights, Christmas lights, community lunches and initiatives for our more mature residents. We are extremely grateful to all those who give their time to organise and deliver these events, which play an important role in bringing the parish together and strengthening community involvement.

### **B) We operate on a modest budget**

Our annual precept is small (around £20,000), and we use it carefully to maintain the parish and keep it looking its best. Larger projects — such as improvements to the Reed Pond or the playground — require saving, fundraising, and community involvement. These enhancements are achieved locally and are not provided by Gedling Borough or Nottinghamshire County Council. This means that when residents contribute ideas, time, or expertise, it directly shapes what we can deliver.

### **C) We respond when the parish needs support**

During flood events, councillors and flood wardens are often out assisting residents, helping to minimise the impact and ensuring that concerns are raised with the authorities responsible for long-term solutions. These moments highlight the strength of our community and the importance of working together when the parish faces challenges.

### **D) We listen — and we work collaboratively**

We take residents' concerns seriously and do our best to assist. We may invite those raising an issue to help shape the solution, as community involvement often leads to better outcomes. Balancing the needs of the whole parish requires cooperation, and we are grateful to those who engage constructively.

### **Working Together for Lambley**

We are a small group achieving a great deal with limited resources — and this is where the wider community plays an essential role. Many residents juggle busy working lives, family responsibilities, or caring roles, and we recognise that time is often limited. Even so, small contributions — whether occasional volunteering, offering professional expertise, or simply sharing ideas — can make a meaningful difference to parish life.

Some residents may wish to support outreach activities, speed awareness, litter picks, or village events. Others with businesses or specialist skills may be able to assist with fundraising or contribute to larger projects. And for those with limited time, simply reading the magazine or attending events is a valuable way of staying connected. Every form of engagement helps strengthen the parish and ensures that decisions reflect the full range of experiences and perspectives within our community.

We are also keen to ensure that residents who may not traditionally engage with parish matters — including those balancing work, family, and other commitments — feel welcome to contribute in ways that suit their circumstances. Whether through sharing a suggestion, attending a meeting occasionally, or offering a small amount of time to support a project, every contribution is valued.

Every perspective helps ensure the Parish Council reflects the full breadth of our community and continues to fulfil its role as a local council representing Lambley.

### **Monthly Meeting Summary**

Each month, following our meeting on the third Monday, I will provide a short summary of the key themes discussed. This month we spoke about a possible large future housing development near the Spring Lane Farm Shop and how such a proposal might impact the parish. More details will follow as information becomes available, and we will ensure residents are kept informed as the situation develops.

Thank you - Richard.

### Gedling Local Development Plan (draft)

This was released on Friday 15th May 2026. In it Gedling Borough Council proposes the building of around 650 homes within the Parish of Lambley, increasing the size of the Parish by more than 100%. The development will take place along the eastern edge of Mapperley Plains between Spring Lane and just beyond Middlebeck Farm (opposite Brookfields).

The Parish Council are particularly concerned about the impact this development could have on flooding in the village. It is envisaged that all the surface water drainage will be directed into a SuDS pond that will discharge into the Dumble. In our view, this could potentially increase the risk of flooding along Main Street, perhaps pushing levels over those of recent years and endangering some properties. National guidelines for development specifically state that no development should increase the flood risk to neighbouring areas.

This proposed development is entirely in Green Belt and contradicts Gedling Development Guidelines in that it reduces the separation between urban and rural communities.

We urge all residents to contact the Parish Council and give them your support in opposing these plans. Email to [clerk@lambleyparishcouncil.org.uk](mailto:clerk@lambleyparishcouncil.org.uk).

Full Plan is here. <https://www.lambleyparishcouncil.org.uk/GLDP.pdf>.

## The Memory Tree

Anyone who wishes to purchase a leaf for a loved one who has passed can contact the Parish Council or this magazine.

We have the first named leaf on if anyone would like to see it.

The cost of purchase is **£100** plus inscription.

---

### Lambley Path Retrievers

This is an ongoing project around the village to clear the paths of overgrowth and make them safer to walk on and the village looking tidier.

We are always looking for volunteers and if you would like to help (we have lost one of our group for health reasons) and we are sure there must be some willing retirees out there - we usually meet on alternate Tuesday mornings but as we are in a winter break at the moment please watch this space for a recommencement date - please contact Katja Watmore 07912 236 998 and get added to our WhatsApp group.

---

Our next date for the Litter Pick is **SUNDAY 16 JULY** meeting in the school car park at 10.00 a.m.

If you would like to help please contact Keith  
07508 380924

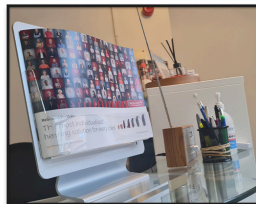

All are welcome.

## CHURCHYARD MAINTENANCE

We will be doing churchyard maintenance on **Saturday 6 June 2026** at 10.00 a.m. The churchyard is looking lovely so please feel free to come along and lend a hand. There is always something that needs doing. We will be doing general planting, tidying up and sweeping duties and anything that needs attention. If you would like to join us, please just turn up. If you could bring your own trowels etc... that would be great. Refreshments provided.

# CANNED PEACHES CAKE

Thank you to Good Food

- 200 ml vegetable oil
- 420g can peaches in fruit juice. Drain the juice and reserve (about 270g drained weight)
- 150g caster sugar + 2 tbsp
- 2 tsp vanilla extract
- 1 lemon, zested and juiced
- 100g Greek yoghurt
- 2 eggs
- 250g self-raising flour (mine is gluten free as the picture)

## Method

1. Heat the oven to 180C/160C fan/gas 4. Oil a deep 20 cm cake tin. Put half the peaches in a bowl of a mini food processor or blender and blitz until smooth. Set aside. Reserve the remaining peaches for decorating the top.
2. Put the oil, 150g of caster sugar, vanilla, lemon zest, yoghurt, eggs and blitzed peaches in a large bowl and whisk until smooth. Sift over the flour and a pinch of salt and fold to combine. Pour the mixture into the tin and arrange the reserved peaches on top.
3. Bake for 1 hour until the cake is golden, risen and a skewer inserted into the centre comes out clean. Leave to cool for 20 minutes then remove to a wire rack and leave to cool completely. (This will keep in an airtight container for up to a week).
4. While the cake bakes, pour the reserved peach juice, the 2 tbsp caster sugar and lemon juice into a small saucepan set over a medium heat and cook, stirring often until the syrup has reduced by half - about 5 minutes. Pour into a bowl and cool slightly before brushing over the still-warm cake. As the cake cools, continue brushing over layers of the peach syrup until it has all been used. When the cake has cooled fully, slice into thick wedges and serve with custard, cream or ice cream.

## SERVICES AT HOLY TRINITY CHURCH IN JUNE

|                              |                                                                           |       |
|------------------------------|---------------------------------------------------------------------------|-------|
| Sunday 7 <sup>th</sup> June  | All Ages Holy Communion                                                   | 11.00 |
| Sunday 14 <sup>th</sup> June | Baptism                                                                   | 11.00 |
| Sunday 21 <sup>st</sup> June | Messy Sunday for Father's Day                                             | 11.00 |
| Sunday 28 <sup>th</sup> June | Morning Praise                                                            | 11.00 |
| Sunday 5 <sup>th</sup> July  | No Service at Lambley or Gedling Today. Please see below for more details |       |

## EXCITING NEWS

We are delighted to advise you that from July we will have a curate working alongside our rector Tasha. His name is Rob Oliver. He is to be ordained deacon at Southwell Minster on Sunday July 5th - the service starts at 11.00am. The ministry team have decided that we all wish to go to Southwell for the service so there will be no service in Lambley that Sunday.

More information about Rob will follow in the July News from the Pews.

## PRAYERS

This month we are praying for all those who are working very hard on GCSE 'O' and 'A' level exams - students and teachers and of course families supporting their young people through this rather stressful time.

We pray also for farmers and others growing food for our nation that the weather may be favourable leading to a good harvest despite the periods of heavy rain and dry spells earlier this year.

## IN MEMORIAM

We are remembering the following people in June:-

| Date                  | Name                | Year of death |
|-----------------------|---------------------|---------------|
| 1 <sup>st</sup> June  | Joe Nicholson       | 2003          |
| 2 <sup>nd</sup> June  | Dorothy Brailsford  | 2001          |
| 3 <sup>rd</sup> June  | Leslie Vryenhoef    | 1998          |
| 7 <sup>th</sup> June  | Stella Carmody      | 1995          |
| 8 <sup>th</sup> June  | Patricia Harper     | 2015          |
| 11 <sup>th</sup> June | Wilfred Stanley     | 1997          |
|                       | Thomas Pindard      | 1997          |
|                       | Maisie McConville   | 2018          |
| 13 <sup>th</sup> June | Lisa Platt          | 1994          |
| 16 <sup>th</sup> June | Doris Westby        | 1995          |
| 25 <sup>th</sup> June | Robert Bixby        | 1988          |
| 27 <sup>th</sup> June | Cyril Edmund Abbott | 1989          |
| 28 <sup>th</sup> June | Rosetta Kirk        | 1995          |
| 30 <sup>th</sup> June | Oswald Harrison     | 1972          |

We regret that Keith Eaton's details were not included in the IN MEMORIAM section of May 2025 News from the Pews, and we wish to send sincere apologies and assure the Eaton family that Keith's details are now included in our master sheet, and the book itself will be corrected very soon.

## Jobs in the garden for June

1. Deadhead bedding plants and repeat flowering perennials to ensure continuous flowering.
2. Make sure your houseplants are looked after if you are going away.
3. Water new tubs and plants if dry - don't forget you can use grey water if your water butts are running low.
4. Check clematis for signs of clematis wilt.
5. Pick courgettes before they become marrows.
6. Start picking tomatoes as they ripen, continue to remove side shoots and feed and water the plants.
7. Clear algae, blanket weeds and debris from ponds and keep them topped up.
8. Deadhead, feed and water for a longlasting show. Put a saucer under containers to reduce watering.
9. Don't worry if your lawn goes brown, as it will soon bounce back when we have rain.
10. Harvest apricots, peaches and nectarines.

Does your double glazing have condensation? Why change your windows when you can just change the glass for a fraction of the cost? We supply and fit double glazed units. 24 hour emergency boarding up service. Supply and fit UPVC windows, doors and soffits. Free quotes provided on request.
