WELCOME TO LAMBLEY LIFE

Welcome to the November2025 edition of Lambley Life magazine.

A **BIG** thank you to all those who continue to make a donation towards the costs of printing the magazine - it can't survive without you or the advertisers who sponsor us. It costs approximately £1 to produce each copy and we have over 600 copies a month that is at least £600 required each month to enable the magazine to keep going on a free basis. We have had three donations this month - thank you!

If you use a contact from one of our adverts, please make sure that you let them know where you found their details as this will encourage them to keep advertising!

We still need your pictures for the front cover of anywhere in and around the village or Lambley related. Thank you to those who have contributed so far - your pictures will be used.
Front page - the "Big Rake Up at the Reed Pond on 5 October. Well done!

If anyone would like to volunteer to help with any of the activities around the village such as the churchyard gardening, path retrievers (we need more volunteerrrs), litter pick or any other activity you can enquire by contacting Lambley Life.

Please send your comments, suggestions, contributions to us at lambleylife@gmail.com or call 07947 627168. We are always happy to hear from you! To advertise or sponsor the magazine the contact details are the same.

The Lambley Life Team

Lambley Village Show

The Village Show took place on Saturday 6th September and was a great success. The total raised after expenses was a fabulous £4493.11 (including £1000 match funding from Barclays UK).

The monies will be used towards the cost of the nine leaky dams which have now been installed in the top Dumbles to help slow the flow of water into the village and help prevent flooding. The total cost of these was £5k so thanks to the Parish Council for agreeing to make up the difference.

We had a record number of entries this year in the show (based on recent years). In total there were 407 entries!

It really was a wonderful family day out. The Show was opened by Kyle Robinson-Payne, Mayor of Gedling and Michael Payne MP came along too to support us. We had performances from Chloe Barrett-Reid who did two fantastic sets for us with a collection of Disney and 80s songs. Even though Chloe is a paid performer, she requested we put her fee towards the fundraising (so very generous). The Tuneless Choir - Burton Joyce also performed a wonderful collection of songs.

The fun dog show had some amazing entries with some really wonderful pooches (and some great owners too!). The Lambley WI once again were keeping everyone fed and watered all day and The Woodlark Inn supplied the bar. Bill Edwards was our first aider - thanks to him for giving his time and support and to Rob Green for supplying the bales used for seating.

This year the quality and volume of entries in the various competition classes was extremely high. Thank you to Tom Smith for giving his time to run the auction for us of the produce and the auction lots including Cricket Tickets from Nottinghamshire County Cricket Club and the Luxury Hamper of cosmetics and perfumes donated by L'Oréal Paris.

Thank you to our main sponsors Nottingham Care Village for their support and Reflex Labels Ltd (Ian Kendall) who print and design the brochures free of charge.

Finally a massive shout out to the fantastic committee without whom the Show just wouldn't happen - working with you all is an absolute dream : Alison Moss, Vicki Fairholme, Ann Gee, Roger Boughall, John Garton, Jackie Loftus and Julie Gregory - their energy and commitment is boundless.

New school year...Same high expectations and opportunities!

A new school year is well underway and despite only being back a few weeks, we have really hit the ground running at Lambley Primary School! The children have settled back into school life well and are working as hard as always. The children have enjoyed time with their new teachers and have found plenty of time to smile and laugh with friends. As well as this, they are working hard and are showing everyone their real drive to succeed.

We have also welcomed our newest members to the Lambley family – our new reception intake. I would like to take this opportunity to formally welcome the children and their families to the school. We are so glad you chose Lambley and know your children are going to thrive at our wonderful school.

At the start of a new school year, we always focus on our first core value – the value of being ready. This is an important value to start the school year with; a school year that holds so much potential and so many possibilities. Indeed, we must all make sure we are prepared to take full advantage of the year ahead – we must always be ready, focused and determined to give 100% to everything we do.

Alongside our exciting and engaging curriculum, we ensure children can also develop and thrive with their own interests and passions at Lambley. Through our wide range of clubs and carefully planned trips and opportunities, we can confidently say we develop the whole child. Most recently, the whole school undertook an introduction to CPR training. This is such an important life skill that all children took very seriously and they learnt so much. We are following this up with a more practical session after half term and we cannot wait!

As I write this, we have just completed our first pupil-parent celebration with our Art and Poetry Harvest Exhibition. The hall looked incredible with all the children's work and the buzz around the room was electric as parents, carers and grandparents celebrated their loved one's work. This was our first celebration with the parents and we cannot wait to welcome them into school again soon.

We are fast approaching half term, which means when we return, we are on the countdown to Christmas! I cannot wait to tell you all about our next adventures next time...

REMEMBRANCE SUNDAY 2025

We salute you all, unknown and known,
Generous and ultimate bravery shown,
Your sacrifice for youth unborn,
Remember'd this November morn.

Dads, uncles, cousins, World War One;
Grieving mother lost her only son;
Allies, comrades, Commonwealth friends,
In World War Two the conflict ends.

A young maid hopes her sweetheart comes;
Mothers mourn their favourite sons;
Wives feel beds forever cold;
Sisters long for brothers to hold.

Sadness, grief and mental pain;
So many years, scars still remain.
In hearts the shortened lives are stored,
And minds embrace the men they adored

Andrea Pembleton.

It's that time of year again. Would you like to sponsor a lamp post Poppy?

Minimum donation of £10 for individuals or £25 for businesses. Each

Poppy will carry the name of the sponsor and a dedication to a fallen member of the armed forces with connections to Lambley. All proceeds to Royal British Legion. Please message the page or telephone : Dawn Edwards on 07710460972. Poppies will be displayed on the lampposts through the village.

The Reed Pond Ramblings

From the Lambley Reed Pond Group

Welcome to the November Edition of the Reed Pond Ramblings. The Reed Pond Committee and Volunteers had a brilliant day on Sunday 5th October for our annual Reed Pond Rake-Up. The sheep provided by Tony and Val Chilman had done a tremendous job, and we would like to thank them for their support. After the field was cut by Andy Musson, the task of raking up the cuttings began. The event on Saturday 4th October was cancelled due to bad weather. A lot of volunteers came to help, and we soon got on with the task at hand and completed the work the same day. A big thank you to all our volunteers Janet, Richard, Julian, Katja, Naomi, Tom, Max and Lindsey, Sofia, Harry and Darcie!

Also, a big thank you again to Tom Smith for providing his tractor and trailer on the day which helped so much moving the grass into piles around the reserve. These will create great habitats for animals such as hedgehogs, frogs, toads and over wintering insects.

Refreshments and cakes were provided by Judith and Naomi which were appreciated by all!

What's Happening on the Reed Pond Nature Reserve this Month!

On the 17th and 20th October will begin the start of our work funded by the Thriving in a Wilder Trent project. We are looking to manage and maintain the woodland area around the pond which will involve removing a few diseased trees along with reducing the number of trees that have self-set and become overcrowded. This will allow the remaining trees to have room to grow healthy and mature.

Thinning the trees will help create much needed light on the ground for nature flowering plants to grow and will also reduce the amount of leaf litter falling into the pond. We have recently had an independent ecology survey completed on the nature reserve as a whole and the pond scored poorly. As a group we are also looking at applying for grants to enhance the pond and pond life, however this requires funding and organisation and will be something we will be working towards for Autumn of 2026/27.

In October/November we are going to be planting a diverse range of native plants both within the wooded area and close to the ponds edge to create a haven for insects and other pollinators, creating diversity and help encourage other species to thrive within the pond area. This will create a colourful attractive display of flowering plants throughout the year such as bluebells, foxglove, wood anemone, primrose and honeysuckle, marsh marigolds, purple loosestrife, amphibious bistort and King cups.

The grant money from Thriving in a Wilder Trent project will also fund the removal in places of the reed bed which has started to take over both the pond and started to encroach into the grassland areas in front of the benches. This will create better views from the west bench into the pond, something that frequent users of the reserve have commented to the committee in the past. Annual work undertaken by committee member and volunteers unfortunately hasn't reduced the amount of reed growth.

Finally, the remaining funds we are looking to establish a meadow area to the right-hand side of the footpath as you got into the reserve from the Church Street pedestrian entrance.

In September Ann Featherstone gave a very entertaining and amusing talk entitled "Mashed potato sandwiches and bottle top tinsel" It was based on Rose Buckner's post-war world of homemaking - A fascinating look at homemaking, parenting and cooking in times of austerity as shown by Rose, who wrote about it in her book and columns for the Sunday People newspaper plus Ann's own memories. It sparked a lot of chat about old times, but no-one will be tempted by mashed potato sandwiches!

Our next evening meeting will be at 7.30 on Monday November 24th when Maureen Taylor will talk to us about "Bess of Hardwick" and also appear in full costume. Was Bess of Hardwick 'avaricious, ambitious, masculine in deeds and thoughts' as thought of for years after her death, or was she 'sociable, friendly, vivacious, caring only for her family' as described in her lifetime? Today, she is possibly regarded as a social climber or just interested in rich men to marry. She married into the social levels in which she found herself in. New members and guests are always welcome.

Lambley Nature: November Wildlife Tips

1. Create leaf piles for fungi, insects and small creatures to thrive in. They'll make a lovely leaf mould compost for you to use! Try not to throw away, or burn, anything toads and this year's froglets will hide within them.
2. Planting bulbs like early flowering daffodils and crocus will provide Spring food for early queen bumble bees or insects!
3. Bring your bee boxes to a safe dry place – blue tits / great tits will try to eat the embryo bees in the canes.
4. Why not make a hedgehog house out of a wooden box with an open side, or piles of leaves and twigs left around the garden? Make sure that it is safe from badgers by incorporating a safe chamber within the box.
5. Keep bird baths topped up with fresh water and clean bird feeders regularly over winter. Despite the latest rains birds and animals are actively searching for water sources. You will also notice that the ground is "rock hard" still and birds cannot find worms or snails easily.
6. Nestboxes can be put up, so that they can acclimatise for the following nesting season.
7. Look at wildlife websites; for example, RSPB, Woodland Trust, Wildlife Trust etc. for more information on how to make bug hotels and bird boxes.
8. Enjoy the outdoors! What can you spot during the Winter months? Let's encourage every bit of wildlife that we can!
9. Many of you will have Bonfires this Month please remember hedgehogs may be thinking of hibernating in these piles of timber for Winter – You can fence the bonfire off or better still build the bonfire soon before bonfire night. We also thank the Parish Council for having another silent fireworks night on 8th November.
10. Lastly take a trip down to our village wildlife reserve "Reed Pond" and the woodland trust owned reserve located at Bonny Dols near the ravine.

FRIENDS OF LAMBLEY PLAYGROUND

The Friends of Lambley Playground Group had a fantastic day at the Lambley Village Show, where we held a stall to finalise our community consultation. We were delighted with the level of interest and support we received — it was great to see so many local faces getting involved!

A special thank you to our MP, Michael Payne, for showing his support.

Huge thanks as well to our wonderful volunteers on the day: Cllr Helen Greensmith, Luke Edwards-Stubbs, Amy Woodcock, Jane Proctor, and Sam Hurrell — we couldn't have done it without you!

We're now continuing to explore funding opportunities to help bring improvements to Lambley Playground — stay tuned and thank you for your ongoing support!

Lambley Path Retrievers

This is an ongoing project around the village to clear the paths of overgrowth and make them safer to walk on and the village looking tidier. We are always looking for volunteers and if you would like to help (we have lost one of our group for health reasons and are sure there must be some willing retirees out there - usually alternate Tuesday mornings please contact Katja Watmore 07912 236 998 and get added to our WhatsApp group.

LAUGHIN LAMBLEY LUNCH CLUB

Once again this was held on Tuesday 21 October in the Church 11 to 2 p.m. Helpers were at hand to serve cottage pie followed by apple, sultana and cinamon crumble with custard or cream! We had a few less in number due to a couple of illnesses (usually 15-16 of us) but if you or anyone you know would like to come - the cost is £5 - please let Julie know. 07947627168 Lifts can be arranged.

The next meal will be held on **Tuesday 18th November**

Serious thing this
Sticky 13!

If anyone who does not normally attend the Lunch Club would like to put their name down for the Christmas dinner on Friday 19 December could you please contact Julie as there is a limit on the number we can accommodate. Lifts can be arranged. This will cost £10 and consist of a three course Christmas meal and a glass of bubbly! Julie 07947 627168

NEIGHBOURHOOD WATCH

Here is your guide to staying safe when using the internet from Neighbourhood Watch – stay safe online and in your home

Protect your passwords

Use a different password for each account and make them strong by combining random words with numbers and symbols. A password manager can help keep them safe and memorable.

Keep your devices secure

Install reliable internet security software (often called anti-virus) on your computers, tablets, and smartphones – and keep it switched on and updated. Protect your devices with a unique password or passcode.

Update regularly

Operating system, app and software updates often include essential security protection. Installing them when prompted helps keep your devices safe. Better still, set them to update automatically.

Pause and check who you're dealing with

Online messages, emails or phone calls aren't always from who they appear to be. AI can make fake messages seem even more convincing, so take a moment to confirm identities before sharing information, by contacting the person or organisation they claim to come from on the number you know to be correct.

Think before you click

Clicking on links and attachments in unexpected emails, texts or posts can lead to fraud, identity theft or other harms. If something feels unusual, take time to check it first.

Stay smart when using public Wi-Fi

Wi-Fi in cafés, hotels, and public spaces isn't always secure, or it could even be fraudulent. For private activities such as banking or shopping, use your mobile data, a personal dongle, or a VPN.

Choose safe ways to pay

Use secure payment methods such as credit cards or trusted services when shopping online. These give you stronger protection than a direct bank transfer, where you may lose your money in the event of fraud.

Report it!

If you come across fraud, scams, or abuse, report it to the appropriate authorities. Acting quickly can protect you and others.

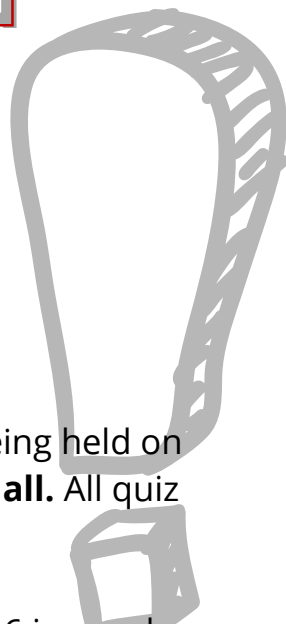

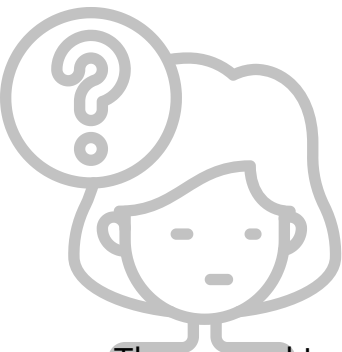

Take care what you share

Be careful with the personal details you post online, such as your address or financial or other confidential information. Once shared, it can be hard to control who sees it.

Check information and news

Not all online information is trustworthy. Misinformation, disinformation, and AI-generated fake news can look very real.

LAMBLEY QUIZ NIGHT

The annual Lambley Village Quiz is again being held on **Friday 21 November 2025** in the **Village Hall**. All quiz profits to go to Air Ambulance.

As usual teams are to be made up of 4, 5 or 6 in number and the cost will be **£12.50 per head including supper**. Please don't forget to bring your own wine.

Entry forms can be obtained from Julie Gregory
Tel: 0115 9312844, 07947627168 or
email: juliegreg19@outlook.com

Try to get your entry in as soon as possible to avoid disappointment as **all 25 places are on a first come first served basis**.

We look forward to seeing you there and thank you for your support

Our speaker for October was Dawn Blundell from Sophisticake based in Woodhall Spa, who made the wedding cake for the King and Queen. Dawn is based in a small shop in Woodhall and has been baking cakes for over 40 years. She moved here from Poole, subsequently starting her business with her sister in law. Dawn is a larger than life character who introduced us to husband number 4 after telling us that she has made all her own wedding cakes!

Dawn's passion is sugar craft but she firmly believes that the cake should be as good as the decoration. She showed us some amazing creations she has made in her small bakery and she goes to a great deal of trouble to ensure whatever she makes has accurate detail be it machinery, flowers or animals. Dawn's son is a chef and caters for bespoke events at the royal palaces which is how she became involved in tendering to make the wedding cakes for the then Prince Charles. She was asked to make a sample of her fruit cake which is based on an old family recipe. Prince Charles loved it and Dawn went on to make cake to be sold in Highgrove. This all led to a call from Clarence House asking her to make the cake for the big day. The cake itself had to be large enough to be cut into 800-1000 slices in addition to making 2,500 slices to give away to worthy individuals.

All this involved 400lbs of dried fruit and 10080 eggs in addition to all other ingredients so this was baking on a grand scale and a domestic oven was not going to suffice so Dawn pulled in a favour to borrow the commercial ovens of a bakery, all whilst being sworn to absolute secrecy! The main cake weighed over 17 stones and was assembled in Woodhall Spa Methodist church before being collected and taken to Clarence House with everyone holding their breath that it arrived in one piece.

It was all a great success and subsequently Dawn was asked to make a sugar craft cake topper for the late Queen's 80th birthday in addition to birthday cakes for Camilla's 60th and prince Charles 70th.

Dawn had received lovely personal thank you letters from both Charles and Camilla which was a touching tribute to her hard work.

In addition to this very interesting talk many of our members brought along their own wedding photos which were lovely to see and look at the different fashions We will be decorating the bus shelter for Remembrance Day as we usually do and will be providing refreshments for the village bonfire. We are sincerely hoping we don't run out of food as quickly as we did last year which was a bit manic! Also in November we will be going along to Burleigh Christmas Fair so more of that next month.

Our speaker for November is Janice Rose who will be talking to us about Breast Awareness and Bra Fitting.

We meet for social time at 7pm and the formal meeting begins at 7.30. We are a friendly group of women who would love to welcome new members with new ideas.

Visitors are also always welcome so please come along and meet us. For further information/enquiries contact Michelle 07943334616, email nightingale633@gmail.com

LAMBLEY PARISH COUNCIL – WHAT IS HAPPENING AT THE MOMENT

The Parish Council met on Monday 20 October. There were several absentees due to holidays and illness but we had enough attendees to make a quorum and good discussions. Cllr Jody Stoll also attended.

It was brought to our attention that the flood lights at the MUGA were malfunctioning and it was agreed that the school and Parish Council would go 50:50 on the repair.

Cllr Stoll said he had had some complaints from horse riders on Catfoot Lane about the speeding traffic and was asked if a “SLOW DOWN – HORSES” sign could be erected. Cllr Stoll said he had enquired and apparently unless the horses have to cross the road to reach a bridle path or similar it is not deemed necessary! If any horse riders have any complaints with regard to Catfoot Lane can they please submit a complaint – the more complaints received will help the case. There was nothing to report regarding flooding at the moment but it had been noted that the tankers had been around the village cleaning the drains.

We have managed to persuade Notts County Council to allow us to have six sets of Christmas lights on the trees this year. We usually have eight trees lit up but unfortunately the tree on the corner of Church Street, Park Lane and Main Street will be absent and another on Main Street. We have now got to fund the cost of installation of some columns that are isolated from the NCC columns. This has been a longstanding course for NCC to not to allow anything at all on any of their columns/lampposts but they are now enforcing the issue – not just with us but all over the county. We are applying for any funding that may help but if anyone would like to help with any fundraising or ideas please let us know. Once these columns are in then there will be no issues in the future.

This also comes at a time when we have to fundraise for around £45000 to repair/refurbish the Play Park. Applications are already going in for any funds that may be available but, again, all offers of help and ideas for events to fundraise will be grateful received.

Organisation for the Bonfire Night and Quiet Fireworks are going well and tickets selling. If you know anyone who may be driving to the event please let them know that enforceable parking restrictions will be in place so limited parking around the village. We are trying to avoid the blocking of the roads around the village this year!

There will be some tree work being done by Western Power in the bottom right hand corner of the cemetery to clear greenery away from the electricity pole.

The meeting was closed at 7.50 p.m. The date of the next meeting is Monday 17 November at 6.30. All are welcome.

CHURCHYARD MAINTENANCE

We will be doing churchyard maintenance on **Saturday 1 November 2025** at 10.00 a.m. The churchyard is looking lovely so please feel free to come along and lend a hand. There is always something that needs doing. We will be doing general planting, tidying up and sweeping duties and anything that needs attention. If you would like to join us, please just turn up. If you could bring your own trowels etc... that would be great. Refreshments provided.

CALVERTON & DISTRICT U3A – has over 30 special interest groups, giving anyone who has finished full-time work the opportunity to meet new friends, learn new skills and, above all, have fun. All are welcome, not only from Calverton but all surrounding villages. Our monthly speaker meetings are held in Calverton Village Hall, Park Road, Calverton, NG14 6LE 10 a.m. to 12 p.m. (doors open at 9.30) on the second Wednesday of each month. There is free parking. SNICKERDOODLES

For the dough

230 g Salted butter (room temp)
300 g granulated sugar
2 large eggs
440 g plain flour (GF works as
picture shows)
1 tsp Bicarbonate of Soda
3 tsp Cream of Tartar
1 tsp vanilla essence
70 g broken up chunks of fudge
(Optional)

For the coating

80 g granulated sugar
2 tbsp ground cinnamon
(I also used ground almonds
and made some of both)

Method

Preheat the oven to 180 C fan
Prepare large baking sheets with
baking paper.

In a large bowl, cream the butter and sugar then add the eggs and vanilla extract and beat until well combined.

Next add the flour, bicarbonate of soda, cream of tartar and broke up fudge chunks if using. Mix until a stiff dough forms. Then divide the dough into ping-pong size balls and set aside.

In a small bowl mix the sugar and cinnamon together then, one by one, drop in the dough balls and cover completely with the sugar and cinnamon.

Place onto a prepared baking sheet leaving at least 2 inches apart as they expand. Bake in the middle of the oven for 10-12 minutes and then remove and allow to cool.

CHRISTMAS POTTERY PAINTING NO ARTISTIC SKILL REQUIRED!!!

On Saturday November 22nd we will be holding a pottery painting session in church. You will have the chance to decorate a ceramic

Christmas bauble or tea light holder and enjoy coffee or hot chocolate and pastries. This event is for adults and older children. Space is limited to 25 people. There will be a charge of £2 for the refreshments and then you will pay for the cost of the item you choose to decorate. Once decorated the items will be taken away for firing and then will be available for collection approx. 1 week later. The expected cost of the items will be £15-£20 for a beautiful personalised Christmas memento. Session will start at 11.00 and finish at 13.00.

Please contact Frances on 07808 295557 if you wish to book a seat for the pottery painting session on Saturday 22nd November. We need numbers in advance for catering and to ensure that there is enough room.

PRAYERS

This month we pray for adults who are struggling to make ends meet, but want to make the best Christmas they can for the family. We pray also for those working in retail or hospitality that they will have time for their own preparations amidst the busyness all around them.

The background of the page features a soft-focus image of autumn leaves in shades of yellow and orange at the top. Below this, a black rectangular box contains the title 'Jobs in the garden for November' in white text. The rest of the page has a light blue background with a faint, stylized illustration of a greenhouse and a pair of garden shears. The greenhouse is depicted with a brown frame and green panels, containing small green plants. The garden shears are shown in a light green color, positioned diagonally across the lower half of the page.

Jobs in the garden for November

1. Clear up fallen leaves from the garden and especially from ponds, lawns and beds.
2. Raise containers onto pot feet to prevent waterlogging.
3. Plant tulip bulbs for Spring display next year.
4. Prune roses to prevent wind-rock.
5. Plant out winter bedding.
6. Cover brassicas with netting if pigeons are a problem.
7. Insulate outdoor containers from frost - hessian sacking or re-used bubble wrap work well.
8. Sow some sweet peas indoors, putting them in a cold frost-free place as soon as they germinate.
9. Put out bird food to encourage winter birds into the garden.
10. Don't burn your woody waste - compost it or recycle into dead hedges or log piles.

Does your double glazing have condensation? Why change your windows when you can just change the glass for a fraction of the cost? We supply and fit double glazed units. 24 hour emergency boarding up service. Supply and fit UPVC windows, doors and soffits. Free quotes provided on request.
