Bonfire Night**

**Friday 20 November
Quiz Night!**

**Saturday 5 December
The Food Doctors**

Further details for any of the above in the magazine.

WELCOME TO LAMBLEY LIFE

Welcome to the September 2026 edition of Lambley Life magazine.

A BIG thank you to all those who continue to make a donation towards the costs of printing the magazine - over £100 this month. The magazine can't survive without you or the advertisers who sponsor us. It costs just over £1 to produce each copy and we have over 600 copies a month that is at least £650 required each month to enable the magazine to keep going on a free basis.

I have also been asked how to donate as some villagers feel they would like to contribute. Well you can contact myself (Julie) on the details below and payment can be arranged either by DD to Lambley Parish Council (details will be given) or cheque or cash.

If you use a contact from one of our adverts, please make sure that you let them know where you found their details as this will encourage them to keep advertising!

We still need your pictures for the front cover of anywhere in and around the village or Lambley related. Thank you to those who have contributed so far - your pictures will be used.

The front cover this month is taken from The Millen field looking towards Church Street.

Please send your comments, suggestions, contributions to us at lambleylife@gmail.com or call Julie on 07947 627168. We are always happy to hear from you! To advertise or sponsor the magazine the contact details are the same.

The Lambley Life Team

Lambley Village Show 2026

This year the Lambley Village Show will be held on Saturday 5th September at the Village Hall and School Field. Once again we will be raising funds to put towards village projects. This year there will be an opportunity at the show to put your own ideas forward for how these funds will be spent. We could not raise the fantastic amounts raised every year without your continued support, for which the committee would like to say a huge thank you. With this in mind we would be very grateful if any businesses or villagers are able to provide help on the day or donate raffle/tombola prizes for the show. Please contact us on

Lambleyvillageshow@outlook.com or by calling Alison on 07557 912357 if you are able to help. Thank you.

This year's Scarecrow Competition theme is a James Bond character. Please have a go, join in the fun, get your thinking caps on and enter your scarecrow into this year's village show competition. We also welcome entries from outside the village, and will make room available for them to be displayed in a central location. The entry form will be available in the show programme, which every household will receive in due course, or by emailing

Lambleyvillageshow@outlook.com. The scarecrows need to be on display, no later than 10 am on Wednesday 2nd September. A photograph will be taken of each entry and these will be on display in the entrance to the village hall on show day, Saturday 5th September. A public vote will take place at the show to establish the winner. It would be fantastic to have lots of entries this year and to get the children of the village involved in making scarecrows. There is a trophy to be won, which the winner will keep for one year, on to which their name will be engraved. We look forward to receiving your application form. Unfortunately, we cannot take any responsibility for loss or damage to any property used in making your scarecrow.

It would also be lovely to see more entries in the children's competition this year. The classes are outlined below. Please do encourage your children to have a go. The overall points winner and the best entry in the children's show will win a VIP pass to Floralands Farm Park. Good Luck!

The Children's Classes for this year's shows are:-

A Miniature Garden in a container no bigger than 38cms by 24cms

A vehicle made with recycled materials

A cookery exhibit, choose from 6 scones, 6 biscuits, 6 decorated cupcakes or a large decorated cake.

Decorated pebble

A landscape picture, this can be a drawing, painting or collage

Vegetable animal

Children's Sewing Class, any item made using sewing, embroidery or cross stitch

Children's photographic competition – any photo taken by a child of a flower.

Lambley Village Show Saturday 5th September 2026

It's time to think about how to amuse the children during the school summer holidays. Why not get creative and make some entries for this year's village show, to be held during the day at the Village Hall and on the school field. To get you off to a flying start here is a list of the children's classes. Entries can be brought to the village hall on Friday 4th September from 7 pm to 8 pm or on show day from 9 am to 11.15 am. There are two trophies to win in the children's classes:- Most Points in Children's Classes and Best Children's Exhibit. The winning children will have a trophy to keep until next year's show, engraved with their name and a VIP Florals Farm Park Activity Family Ticket (kindly donated by Florals Farm Park).

Miniature Garden	In a container no bigger than 38cm by 24cm
A vehicle	Made with recycled materials
Cookery Exhibit	6 Scones (any type), or 6 Biscuits, or 6 decorated cupcakes, or 1 large decorated cake (any flavour, shape and size)
Decorated Pebble	A pebble decorated in any medium
A Landscape Picture	Drawing, painting or collage. Child's age to be written on the back.
Vegetable Animal	Any animal made from vegetables or fruit
Children's Sewing Class	Any item made using sewing, embroidery or cross stitch
Children's Photographic Competition A Flower	Any photograph taken by a child

It would be fantastic to have our show tables full of entries this year.
Good Luck!

This year's Scarecrow Competition is a James Bond Character. Do have a go and lets have lots of scarecrows around the village. Entry details will be in the show brochure which should be delivered to each household this month. Please also check out the bus shelter in early September to have a go at the Lambley WI's Competition. Various cryptic clues will be decorating the bus shelter the answers will either be James Bond character names or film titles.

Natural Cut Stone is
the connoisseur's choice for:

- FIREPLACES
- STAIRCASES
- ENTRANCE HALLS
- FLOORING

Lambley Nature: September 2026 the drought Year of all time !!!

This Year has been a disaster for nature and it could be the norm, birds and animals are in a desperate state – all the ground is rock hard and they just cannot find any food, so we need to help them in our gardens more than ever.

All their food sources like nettles / caterpillars have been incinerated in temps of 30 plus degree c temperatures (we have had 5 heatwaves where we have hit these levels) here in Lambley. So what can we do to help them?

Leave wild areas of your garden = let your grass grow – it will look like a desert anyway! – the smart gardeners didn't cut the grass on a low blade in June and July and their grass is recovering slowly. Considering growing a wildflower meadow

- Leave a fresh source of water out every day in a shallow container for wildlife.
- You will see your frogs and toads have tried to find a quiet corner in the shade to hide up in the Summer keep it damp – sadly we will lose some of these this Year – this is inevitable
- People are now finding dead birds in their garden that were not able to adapt to this climate, blue tits especially cannot find any food source so we should start feeding good quality fat balls again but throw away your old bird table it harbours disease !
- There are squirrel proof fat ball feeders around now – the roam wild one peanut butter feeder is particularly good if positioned on an old outhouse or hut.
- Squirrels will have raided your walnuts and your hazelnut trees and the berries you will have noticed have come much earlier - but the blackbirds didn't take the fruit in August but was left to wither on the bushes. Why do this, do they know that Sept will be equally dry who knows !!!
- If you have any berries on your hawthorn hedges please try to leave them – it's the life support food source for our animals and birds.
- We have become just too tidy! Hedgehogs and frogs like long grass and scrub as habitat. Leave ivy and its flowers because they provide a great late source of nectar for any bees/insects and butterflies like the brimstone who will hibernate unseen in ivy over the winter on trees and bushes and emerge in spring.
- Buy a large capacity water butt it will give you pure water at no cost and will save you a fortune if on a water meter and be invaluable when then the heavy rain comes.

LITTLE LAMBS AT LAMBLEY

A cartoon illustration of a white lamb with a fluffy white body and a pink nose, standing in a field of green grass and yellow wheat stalks.

Little Lambs Lambley is the newest addition to the Wolds Childcare family; a small, private nursery group dedicated to providing the highest standards of childcare and Early Years education across Nottinghamshire.

SUSAN MARY BOWLER

Susan Price was born in Gedling to her parents, Alice and Harry. She grew up with her older sister, Julia, and younger brother, John. She went to Cragmoor Road Primary School in Burton Joyce, then St. Joseph's on Derby Road, and later Lilley and Stone Foundation High School, Newark.

Susan joined the Brownies and Guides, taking part in many indoor and outdoor activities. She had a happy childhood, filled with memories of summer weekends when her father played cricket with her brother. As a teenager, she learned to keep score at matches.

Susan finished school at 17 with 10 O-levels but wasn't sure what job to pursue. She turned down a dental nursing training place because it would have meant three years in Birmingham or London, and she wanted to stay near home. In September 1959, she started working at Barclays Bank, marking the start of an 18-year career.

Sue was a beautiful young woman who always took pride in her appearance. She made many of her own clothes, keeping up with the latest fashions, and curled her hair with tongs heated on the gas stove. (You may have seen her walking to the church when her hair was either blue or green!) She met Eddie in 1958, and they married in 1962. They lived in Carlton for five and a half years before moving to Lambley in 1968. Susan left Barclays in 1976, welcomed her first child, Alison, in 1977, and Duncan arrived not long after, in 1978, making life busy with two young children. In 1979 and again in 1981, Susan was diagnosed with cancer. She faced all her treatment with dignity, hope, and strength, doing everything she could to become cancer-free.

Susan left the bank at 50 and trained to volunteer as an assistant in adult literacy and numeracy at Nottingham Berridge Centre. She also volunteered at the City Hospitals Hayward House Day Centre, supporting cancer patients with occupational therapy. While at the Berridge Centre, she supervised adult students in flower arranging. This sparked a passion in her, and she enjoyed it so much that she took many local classes to learn more.

Sue even attended Brackenhurst College for floristry, where she achieved an NVQ Level 3. Susan thoroughly enjoyed flower arranging for special occasions, the church, and private requests for many years.

Their daughter Alison, was born in 1977, and Duncan arrived not long after, in 1978, making life busy with two young children. In 1979 and again in 1981, Susan was diagnosed with cancer. She faced all her treatment with dignity, hope, and strength, doing everything she could to become cancer-free.

In 1998, Sue became an active member of the Nottingham Cancer Patients' and Support Group, contributing in many ways. Over the years, she supported others and assisted the hospital with research. She was interviewed for published articles and took part in a radio interview on Radio Nottingham. She attended various seminars and lectures to learn more about cancer and, with other Support Group members, spoke to third-year nurses at QMC about her experiences with cancer and the different treatments she had over the years. This information was invaluable to the nurses, helping them understand the patient's perspective and find ways to improve care.

Sue was very proud of her two wonderful children and of all they had achieved. Her grandchildren, Liam and Sadie, brought her so many happy moments and so much joy.

Not everyone knows that Sue and Eddie went paragliding for the first time in Cyprus when she was 76! Having watched Ian and Liam paraglide she announced at dinner that evening that she wanted to paraglide the next day and sure enough they did, happily strapped into a tandem harness, side by side. She thought it was fantastic!!!

In 2024 Susan was diagnosed with terminal cancer. At the end of May this year, following a fall, Susan went into hospital. After 3 weeks without a hair appointment, Alison and Sadie took in her curling tongs and make-up from home and "opened the salon", which really lifted her spirits.

Susan wanted to go home, to be somewhere familiar and full of memories. On June 16th, she returned to 10 Grange Close. With help from Alison, carers and community nurses and the rest of the family, she stayed comfortable and enjoyed looking out at her beautiful garden. She and Sadie played cards and board games, and Sadie loved that her Granny was still winning, even in her final days.

On the 1st of July, Susan passed away peacefully at home, surrounded by love. She was 84 years old and will be missed by everyone who knew her.

Recently, Sue wrote a tribute to her friends. It is a lovely, heartfelt note of gratitude:

"I would like to leave a message to my closest friends — they all know who they are — for the regular contact, continued offers of help, kindness and care which has supported me throughout and I have appreciated so much, Thank you."

ANDY AND CLAIRE GET MARRIED - SATURDAY 25 JULY

What an amazing day we had. Claire looked absolutely beautiful and, despite Tom Smith doing his best to convince me at the altar that she'd changed her mind, thankfully she turned up and went through with it!

I was incredibly proud of Henry walking his mum down the aisle – definitely one of the most special moments of the day.

A massive thank you to all our friends, family and everyone who came and celebrated with us and helped make it such a brilliant day, and of course to local legends The Food Doctors for a fantastic night of music and dancing.

Most importantly, thank you Claire for marrying me. It really was the best day and one we'll never forget. xx Andy Bray

Help Build a New Playground for Lambley

Lambley Parish Council is working towards creating a safe, modern and inclusive playground for children and young people of all ages.

Our vision is to provide a vibrant community space featuring:

- A dedicated toddler play area with sensory play features.
- Exciting new equipment for primary school-aged children.
- A separate area for teenagers, including a zip wire.
- A seating area where families, friends and young people can meet and enjoy social gatherings.
- New fencing and safety surfacing throughout.
- A countryside and farming-themed design that reflects Lambley's rural heritage.

We are now seeking support from local residents, businesses and community organisations to help make this exciting project a reality.

There are many ways you can help:

- Make a donation
- Sponsor a bench or piece of play equipment
- Support a fundraising event
- Offer goods, services or expertise

If you would like to support the project or discuss sponsorship opportunities, please contact the Lambley Playground Fundraising Group at Lambleyplayground@hotmail.com or speak to Rose Melvin.

All donations will be received by Lambley Parish Council and paid into the Lambley Parish Council Playground Fund. The fund is ring-fenced, ensuring that every donation is used exclusively for the redevelopment of the Lambley playground.

Together, we can create a playground that reflects our village, supports children and young people of all ages, and provides a welcoming place for families and the wider community to meet, play and socialise for many years to come.

Many thanks
Rose

In July we had the last of our summer outings which was a guided tour of the Walks of Life Museum at Tuxford. This is a fascinating museum, which is home to a unique collection of hand-pushed vehicles collected by the late Dorothy Harrison, and many other items. We started with coffee and cakes and a short introduction to the museum, then we were shown around all the buildings and collections. It was an intriguing look at a different aspect of the past.

Our next meeting will be back at the Lowdham WI Hall on September 28th at 7.30pm for a talk by Graham Hayes on 'The Da Vinci inventions'. Leonardo Da Vinci was one of the most amazing men that ever lived. His fields of interest included Painting, Sculpting, Architecture, Music, Anatomy, Geology, Cartography, Botany, Writing and Inventing. Although he was accomplished at all these things, it is mainly his inventions Graham will talk about at this meeting.

Sadly, there is another recent loss to report - Basil Pendleton passed away in July aged 94. Although not a member, Basil was Lambley born and bred and has been a great help over the last few years in helping to document unidentified people and places on our collection of photographs. He told me many entertaining stories about Lambley life.

New members and guests are always welcome.

Snippets from the LHS Archives

This is the next in a series of photographs and articles collected by the LHS featuring Lambley in the past. We have many photographs in our collection, but if you have any photos or recollections of people, places or events from Lambley we would love to see them. We can scan and return any photos and as much information as possible is always useful.

As it is holiday season, this is a photo of Lambley folks on holiday in Blackpool in the 1950's. Basil helped to name most of these people and he is on the front row.

Standing (L-R): Henry Pendleton, Mrs Price, Norman Price, Richard Wilson, Sid Leafe, George Banner, Jack Kirk, Ida Booth, Kath Sneath, Cynthia Martin, Charlie Coy, Ray Radford.

Seated (L-R): Gladys Leafe, Violet Leafe, Mrs Wilson, Mrs Martin, Mrs Coy, Fanny Pendleton, n/k, Mrs Kirk, n/k, n/k, Jean Winfield, Connie Radford.

Front row (L-R): Len Wallace, n/k, Basil Pendleton, Ken Sneath.

LAUGHIN' LAMBLEY LUNCH CLUB

Our lunch club met on Tuesday 18 August and I am pleased to say that we were almost at capacity! We had 18 seated and one delivered which is great. They enjoyed a meal of salmon, new potatoes, beans and broccoli and lemon cheesecake to follow. There was a bonus this month as we had two birthdays on 26 and 29 August both being 91 (Wendy and Sylvia) and so a birthday cake was baked.

We then enjoyed two games of bingo (both won by Sylvia) and then three games of Sticky 13 - the first being won by Sylvia so a hat-trick.

The next meal will be on **TUESDAY 15 SEPTEMBER 2026** and if anyone who has not attended before please just turn up anytime between 11.30 and 12.00 to enjoy a meal, company and a game of Bingo and Sticky 13's.

The cost is £5.

We do have a few spaces and if you don't get out much and would like a bit of company, meal and a laugh please contact me. This also applies to couples but there will be restricted numbers. Lifts can be arrangd.

If you would like to enquire further please contact

LAMBLEY BONFIRE 7 NOVEMBER

Shhhhhhh! It's the 2026 Lambley Quiet Firework Display!
And Lambley needs you!

We hope to give another warm welcome to our many visitors again this year. We have a team of fabulous volunteers who have supported us over the years and we very much hope that they will do it again this year but, as our event has grown, we need more support, please!

We need:

Health & Safety Marshalls: mingling with our visitors and making sure they're OK

Traffic Marshalls: directing cars to the nearest car park

Footpath Marshalls: making sure no-one sneaks in without paying!

Car Park Marshalls: at Gedling Country Park and possibly another location, and

Bus Conductors: taking payment on the car park buses

This year, our event will be held on Saturday 7th November. Entry will be from 4pm and the event will close at 7:30pm. Volunteer support is also welcome to set up and strip down.

If you'd like to help, in return for free entry to our legendary display, please message or call:

Julie: 07947 627 168

Sara: 07771 535 820

We look forward to hearing from you!

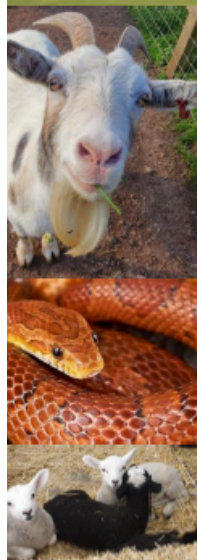

And remember, all the money raised goes directly into village amenities, facilities and features.

Thank you!

Lambley Women's Institute

We didn't have formal meeting in August instead we took advantage of the continuing good weather by having a picnic on the village hall playing fields followed by outdoor games of croquet, boules and giant dominoes which resulted in lots of laughs and mishaps! The delicious picnic was provided by Rhubarb in Burton Joyce and made a lovely change from us always catering.

As always, we will be catering at the village show. We will be selling breakfast rolls and hot drinks all day and then teas coffees and cakes in the committee room in the afternoon so do come along and support us.

Our next meeting is Monday 14th September when our

speaker will be David Newsham who will be talking to us about guide dogs. We meet for social time at 7pm and the formal meeting begins at 7.30 pm

The Reed Pond Ramblings

From the Lambley Reed Pond Group

Those who have visited the Reserve recently will have noticed the dramatic effects of the persistent heat wave, especially on the water level of the pond, and on the meadows.

We implore you to be vigilant of any potential source of fires and would request no smoking whilst in or near the reserve.

The pond is the heart of our reserve, and we plan to work on this as a priority over the next few weeks now that nesting season is over. There is a large amount of silt in the pond, and despite our efforts earlier this year, the reeds have yet again grown rapidly. We are grateful to Andy Musson and Andrew Chilman who will be removing some of the silt and reeds and hopefully restoring the views from the western bench.

The sheep will be returning to the reserve in the near future so please be mindful of keeping the gates closed and keeping dogs on their leads.

Once the sheep have finished their work we may need to mow the grassland further which will necessitate another of our famous 'Reed Pond Rake-Ups'. As always, we will advertise this in advance and volunteers will be very welcome.

Work on the Reed Pond site is entirely funded by donations and fundraising activities and we are grateful for the recent donations from the Woodlark Inn and from an anonymous donor in the village. We have a crowdfunding page which can be accessed by scanning the enclosed QR code which allows us to accept direct donations. The Reed Pond committee and volunteer group members provide all our time for free, so you can be certain that any donation made will go directly to enhance the reserve for the benefit of the wildlife and the community.

The committee meets on the second Tuesday of every month at 7pm in the Village Hall, and interested parties are always welcome, especially potential new committee members. Our AGM will be on Tuesday 22nd September therefore there will not be a meeting on September 8th. If anyone has any expertise in pond management or grant applications, we would love to hear from you.

CALVERTON & DISTRICT U3A – has over 30 special interest groups, giving anyone who has finished full-time work the opportunity to meet new friends, learn new skills and, above all, have fun. All are welcome, not only from Calverton but all surrounding villages. Our monthly speaker meetings are held in Calverton Village Hall, Park Road, Calverton, NG14 6LE 10 a.m. to 12 p.m. (doors open at 9.30) on the second Wednesday of each month. There is free parking. For full information visit: www.calvertonu3a.co.uk or contact 0115 965 4611

Next meeting Wednesday 9 September 2026

LAMBLEY QUIZ NIGHT

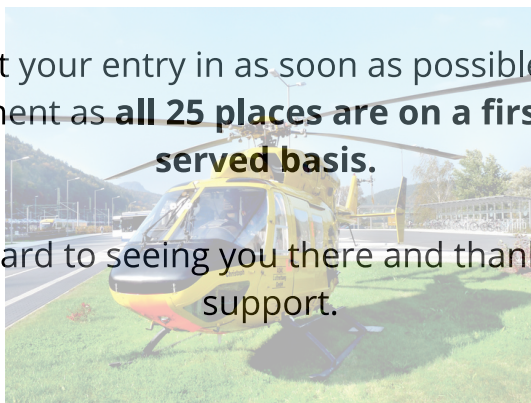

The annual Lambley Village Quiz is again being held on **Friday 20 November 2026** in the **Village Hall. 7.00 for 7.30 start.** All quiz profits to go to Air Ambulance.

As usual teams are to be made up of 4, 5 or 6 in number and the cost will be **£12.50 per head including supper.** Please don't forget to bring your own wine.

Entry forms can be obtained from Julie Gregory
Tel: 0115 9312844, 07947627168 or
email: juliegreg19@outlook.com

Try to get your entry in as soon as possible to avoid disappointment as **all 25 places are on a first come first served basis.**

We look forward to seeing you there and thank you for your support.

LAMBLEY PARISH COUNCIL – WHAT IS HAPPENING AT THE MOMENT - AUGUST UPDATE

As many residents will know, the Parish Council does not hold a formal meeting during August, so this month's update is a little shorter than usual.

One area of work has been the review and update of the cemetery regulations. We have held further meetings to consider how the regulations can be updated remaining respectful of the cemetery as an important community asset.

There has been little movement on some of the issues highlighted in previous updates. We are still awaiting substantive responses from Via East Midlands regarding both the future powering of the village Christmas lights and the prolonged closure of the Dumbles footbridge. We continue to press for answers on both matters and will update residents as soon as further information becomes available.

With regard to the proposed development opposite Planters Brookfields Garden Centre, the Parish Council has now submitted an objection letter relating to the HOU4 allocation, as well as the alternative sites identified within the appendix of the consultation document. We would also like to thank all residents who took the time to attend meetings, review the information available and submit their own comments during the consultation period. Community engagement is essential when proposals of this scale are being considered.

I was also pleased to attend a recent meeting of the Reed Pond Group, which operates as a sub-group of the Parish Council.

We greatly appreciate the efforts the group makes, both physically and organisationally, in helping to maintain and improve this valued community asset. The dedication of volunteers has played a vital role in ensuring the Reed Pond remains an attractive and well-used part of village life.

Looking ahead, we will be revisiting the Reed Pond Strategy Plan to consider how best to protect the pond from the ongoing build-up of reeds and silt, whilst also preserving its important habitat, wildlife value and opportunities for public enjoyment and engagement. This will require a careful balance, and we look forward to working with the group and the wider community as ideas develop. Watch this space.

Work also continues behind the scenes on longer-term matters, including discussions regarding the Village Hall, recreation ground and playground, as well as the development of a one-, three-, five- and ten-year vision for Lambley. We look forward to sharing more about these projects and seeking your views in the months ahead.

Reasons to be Cheerful

As summer begins to draw to a close, there is still plenty to look forward to. Preparations continue for the Village Show and the annual Firework Event, both of which remain highlights of the parish calendar and a testament to the hard work of local volunteers.

We look forward to updating you again following our September meeting.

Hilltop Nurseries – Time to Hang Up the Trowel!

After 30 wonderful years, the time has finally come for me to retire, put my feet up and hang up my trowel— although I suspect the weeds will still find me!

It is with a mixture of sadness, gratitude and mild panic that I announce that Hilltop Nurseries will be closing its doors at the end of November 2026.

Our family business has been going for over 50 years, which all started back in the 1970s when my parents, John and Muriel Heyhoe, began selling tomatoes and dahlia cuttings from a small greenhouse. Somehow, it grew into the bustling nursery it is today!

I officially joined the family business in 1995 and have spent the last 30 years surrounded by plants, compost and the occasional gardening disaster. Dad was still putting in a shift until a few years ago, but with no family member ready to take over, we have decided that it's finally time to call it a day.

But before we go...

THE CLOSING-DOWN SALE IS NOW ON — AND EVERYTHING MUST GO!

Plants, pots, gardening bits and probably a few things we've forgotten we even had!

Thank you to everyone who has supported us over the years. We honestly couldn't have done it without you, and we are incredibly grateful for your custom, friendship and support. It's been an amazing 50+ years. Thank you for helping us grow — now please come and help us clear the place out!

With thanks,
Lesley Merrin

The Memory Tree

Anyone who wishes to purchase a leaf for a loved one who has passed can contact the Parish Council or this magazine.

We have more leaves on the tree if anyone wishes to take a look.

The cost of purchase is **£100** plus inscription.

COFFEE MORNING

PLEASE NOTE WE ARE NOW MEETING AT WETHERSPOONS, MAPPERLEY PLAINS - TUESDAYS 10.30 A.M. COFFEE £1.50 WITH A FREE REFILL! All Welcome

Organiser: Margaret Meadows - 07592184592

A BIG THANK YOU FROM ROD CARROLL

I would like to thank the kind people who came to my aid when I had collapsed in the village in late July outside The Lambley. When I came to I was being supported by lovely people who had called an ambulance for me. You know who you are and I would like to buy you a drink in The Lambley before long. If you could contact the Editor of the magazine, Julie, and give her your contact details I will be in touch.

Ken Burton
29 September 1947 - 21 September 2025

Ken loved life and always had a friendly smile for everyone, his main goal was to make people laugh. As we come up to the anniversary of his passing, we wanted to remember and celebrate him and what made him happy.

Ken, Elaine and family first moved to Lambley in 1983, calling Cornwall's Hill home for a wonderful 42 years. Ken was at his happiest there, and would spend hours daily in the garden looking after the animals, riding on his mower, and working on whatever current project he had decided. As a family we feel so lucky to have been blessed to have shared so many happy memories with Ken in the gardens, or "down the field" as we always called it. Ken and I downsized into the village in 2024, but Ken's heart never truly left Cornwall's hill.

CHURCHYARD MAINTENANCE

We will be doing churchyard maintenance on **Saturday 12 SEPTEMBER 2026** at 10.00 a.m. We are doing this a week later due to the Village Show. The churchyard is looking lovely so please feel free to come along and lend a hand. There is always something that needs doing. We will be doing general planting, tidying up and sweeping duties and anything that needs attention. If you would like to join us, please just turn up. If you could bring your own trowels etc... that would be great. Refreshments provided.

On Saturday 25 July, I happened to bump into Philip Cox, Church Warden, as he was opening the church gates. He said there was a wedding on later for a couple in the village - Andy and Claire. The churchyard was a mess and needed urgent tidying and sweeping and an emergency call was put out to the churchyard gardeners to give an hour of their time to make the churchyard presentable. Well guess what - those who could came and a couple of extras! See the results. Thank you to Ann, Katja, Janet and also Nicki and Mark for their help in making it possible for Andy and Claire's pictures to be taken in a lovely setting. Many thanks Julie

PROFITEROLES

Ingredients

Preheat the oven to 200 C
Line a baking sheet with
non-stick baking paper.

50 g (2 oz) unsalted butter
75 ml (1/8 pint) water
75 ml (1/8 pint) milk
75g (3 oz) plain flour
2 eggs beaten
1 extra egg beaten
¼ pint double cream

Chocolate Sauce

75ml (1/8 pt) double
cream
75g (3oz) Bournville
dark chocolate

Method

Place the butter and water in a small saucepan over a high heat and cook until the water is boiling and the butter has melted. Remove from the heat and immediately shoot in the flour, all at once. Quickly beat with a wooden spoon until the mixture comes together and makes a smooth, thick dough. Add the first two beaten eggs, a little at a time, beating after each addition, until the egg is incorporated and the dough is thick and smooth.

Spoon 12 domes of pastry on to the baking sheet. Brush with the extra beaten egg and bake for 10 minutes. Turn down the temperature to 190°C/170°C fan/Gas 5 and bake for another 20 minutes.

Remove the buns from the oven and turn the oven off. Slice each bun in half and put the buns cut side up back on to the baking sheet. Return to the oven for 15–20 minutes to dry out.

Meanwhile, to make the chocolate sauce, pour the cream into a pan and heat until hot. Add the chocolate and stir until melted. Remove from the heat and set aside in a cool place to thicken up. Once the buns have dried out and are crisp, dip one half into the chocolate sauce and place on a wire rack to set. Repeat with 11 bun tops.

Pour the cream into a large bowl and whisk until it forms soft peaks. Place a generous dollop of whipped cream on to the remaining bun halves, then sandwich a chocolate half on top. Repeat to make 12 profiteroles.

PRAYERS

This month we are praying for the teachers and pupils of Lambley Primary School as the children settle back into school for the autumn term. We also think of parents whose children start primary school for the first time, and hope that things go smoothly, and for children starting secondary school for the first time.

We pray also for fine weather for Lambley Village Show on Saturday 5th September!

IN MEMORIAM

We are remembering the following people in September:-

Date	Name	Year of death
1 st September	Florence Gordon	1994
	William Smith	2001
	Fred Dudley	2013
2 nd September	Faith Marriott	1997
	Eunice Miles	1997
4 th September	Doris Olivant	1997
5 th September	Len Degville	1992

8 th September	Keith Virtue Richard Bennett	1978 1978
9 th September	Frederick Keatley	1994
16 th September	Elsie Smalley	1992
17 th September	Douglas Harrison	1967
18 th September	Kenneth Rogers	2003
19 th September	Winifred Harrison	1976
21 st September	Elsie Smith	1991
24 th September	Florence Wicks	1995
27 th September	Lily Brandreth	2005
29 th September	Bessie Snowden	2008
30 th September	Beatrice Loveland	1995

Jobs in the garden for September

1. Sew hardy annuals such as cerinthes, ammi, scabious and cornflowers for flowers early next summer.
2. Lift gladioli corms, dry them off, then store in a frost-free shed or garage over winter.
3. Plant wallflowers, pansies, forget-me-nots and other spring bedding plants in pots and borders.
4. Collect ripe seeds from your favourite flowers and store in labelled envelopes ready to sow in spring.
5. Plant up containers for autumn interest using cyclamen, heathers and other colourful bedding plants.
6. Lift, divide and replant congested clumps of perennials such as achilleas once they have finished flowering.
7. Apply vine weevil control to pots if the tell-tale sign of notched leaf margins.
8. Fill any gaps with late-flowering perennials such as seedums to provide nectar for pollinating insects into autumn.
9. Take cuttings from fuschias, salvias and pelegoniums.
10. Trim conifer hedges to neaten up and control height.
11. Leave sunflower heads in place for the birds to feed on.
12. Make an autumn wreath from flowers and foliage in the garden.

Does your double glazing have condensation? Why change your windows when you can just change the glass for a fraction of the cost? We supply and fit double glazed units. 24 hour emergency boarding up service. Supply and fit UPVC windows, doors and soffits. Free quotes provided on request.
